Inflatables & Event Tents

Delivery: Starts at \$150. Additional charges may apply for set up, labor involved, location, terrain and distance.

Customer Pick-up: Requires either an open bed truck or trailer and sufficient labor to load equipment. Gear-to-Go personnel are available to assist.

Power Supply: All inflatables require constant air from electric blowers, which use a lot of electricity. Only one blower per household plug outlet/circuit breaker is allowed. Customers must provide electricity and water (if applicable).

Requirements: All inflatables and party tents must be secured with 4' stakes. Customers must contact 'Call Before You Dig' (811) a week before the event. Choose a spot at least 25' from any structure, on level ground (preferably grass), and away from overhead obstacles. On the event day, ensure the location is clear for setup. If stakes can't be used, weights are an alternative for small or some medium inflatables and party tents (frame only). Notify Gear-to-Go if weights are needed, as supplies are limited.

Vehicle & Towing Equipment

Towing Apparatus: Customers are responsible for providing their own towing hitch unless using our vehicle to tow our towable item. Tow Hitch Kit available to rent.

Fuel: Return all vehicles to the original fuel level at time of check out. Any fuel not replaced by customer will be charged a replacement fee of \$6 per gallon.

Insurance: Gear to Go does not offer insurance. It is mandatory you contact your personal insurance company to ensure you have full coverage for the vehicle you are renting.

Cleaning Fee: Starts at \$50 fee for inside or outside.

There are no exceptions to these policies. No refund will be issued for items returned early.

Reservations

Reservations for all equipment may be made up to ninety (90) days prior to date of pick up of equipment. Down payment of one rental day must be made at time of reservation. Nonrefundable if cancelation occurs within 7 days of pick up date. Remaining balance must be paid at time of pick up.

Safety

Towing: Safety guidelines are available on the Gear-to-Go website at Campbell.ArmyMWR.com. Review the guidelines and take a short 15 question quiz at Gear-to-Go prior to picking up your towable item; test is open book with T/F and multiple-choice questions. The towing permit is \$5, covers all towable items and does not expire. Tow Hitch Kit available to rent.

Vehicle Inspections: Prior to renting any piece of towable equipment, it is mandatory that one of our staff check your towing vehicle for towing capacity, hitch rating and light hook-up.
