

Camper Safety Classes

Initial and annual safety classes are offered every hour on the hour 9am-2pm Monday-Saturday. A test will be given after each class; class must be passed before making a reservation. Passing grade is 70% or greater. The cost is \$5 annually.

Discounts

Vehicle Package Deal—10% off each item when renting a vehicle with a towable item. Reservation for both pieces of equipment must be made at the same time. Discount does not apply to Early Pick Up fees

Multiple Inflatables & Tents—Rent more than one (1) inflatable or tent and get 10% off each item. Reservation for multiple pieces must be made at the same time. Discount does not apply to Early Pick Up fees.

Services

Delivery & Set-Up—Starts at \$100 (includes delivery and pick up). Labor, multiple items and distance will increase delivery fees.

Limited to a thirty (30) mile radius from our location. Discounts do not apply.

Vehicle Inspections—Prior to renting any piece of towable equipment, it is recommended that one of our staff members check your towing vehicle for towing capacity, hitch rating and light hook-up. We do offer a small variety of hitches and adapters for sale for all your towing needs.

INFLATABLES / PARTY TENTS - RENTAL POLICIES

Delivery & Set-Up—Starts at \$100 for one (1) inflatable and \$25 per additional item. Tent set up begins at \$100 and increases with size and number of additional items. We do not set up tables and chairs.

Customer Pick-up—Requires either an open bed truck or trailer and sufficient labor to load equipment. GTG personnel are available to assist.

Power Supply—All Inflatables need constant air pumped by means of electric blowers. Electric blowers require large amounts of electricity to power them, which means in a normal household you can only use one blower/plug outlet/circuit breaker. Customer is responsible for providing the electricity and/or water supply, if the inflatable is water themed.

Requirements—All Inflatables, Bouncers and Party Tents are required to be secured to the ground by way of four (4') foot stakes. A work order must be initiated by customer to 'Call Before You Dig' contact center a week prior to event. Pick a spot at least twenty-five (25') feet away from any structure, level ground (grass is preferred), and away from overhead obstacles (i.e. trees, power lines, low flying aircraft). On day of event be ready for set-up (e.g. Do you know where the item is being placed?, Is the chosen area of placement clear?). As a last resort, stakes may not be an option, weights can be used to secure Small or some Medium Inflatables and Party Tents (Frame Only). GTG has a limited amount of weights available and needs to be notified if this is your only option.

ACTIVITY BUS SERVICE	HOURLY	MILE
Bus w/ Driver (3 Hr. Minimum)	\$ 40.00	\$ 1.00

Info—Gear-To-Go offers bus charters for your large group transport needs. All buses come with a licensed passenger bus operator. Our buses can transport twenty (20) to forty-four (44) adults and thirty-two (32) to sixty-five (65) children. We even have two (2) small handicap that will carry up to two (2) wheelchairs. Call to set-up your event.

Price—Buses are rented by the hour and mile, with a minimum of three (3) hours.
