Trivia Contests

- How well do you know your Dr. Seuss books?
- Test your knowledge on the US states.

Express Yourself

- Tues. – Black, White and Red Day (show your love for the Cat in the Hat).
- Wed. – Wild Hair Day (Thing 1 and Thing 2 have nothing on you when it comes to Bed Head).
- Thur. – Crazy Socks Day (Fox in Socks, Fox in crazy socks).

Photo Op

There will be a “hot air balloon” in our lobby for a photo op.

Come and make your very own hot air balloon craft.

Homeschool Science Club (Middle School: 5th – 8th grade)

1st Monday of each month 2:00 PM.

This is a 2-hour program. The first part will be for students to conduct an experiment or activity (i.e. build a robot). The second part will be for the students to decide what experiment or activity they would like to do the following month. They will determine what materials they will need and theorize what results they expect.

Homeschool Book Club (Middle School: 5th – 8th grade)

2nd Monday of each month 2:00 PM.

The participants will choose from a selection of recommended books. Books will be based on specific genre or themes rather than having everyone read the exact same book. Participants will meet the following month to discuss their books. The meetings will have guidance from library staff but will encourage student lead discussions.
