This program is designed to bring together all levels of D&D players for a weekly campaign or one-shot campaign set in D&D 5E.

Victorian Teatime Book Club (ages 13 yrs and up)

3rd Wednesday of every month 5:00 PM

A celebration of Victorian authors from all nations active during Queen Victoria's lifetime (1819-1901). Participants will meet to discuss their passion for the Victorian era over a good cup of hot tea and a biscuit, and swoon over their favorite authors from around the world. Participants can come in Victorian era costumes.

Creative Play for Toddlers (ages 3 and under)

2nd Monday of every month at 10:00 AM

This program is designed to allow little ones to explore and discover sensory play and artistic expression using a variety of "toddler safe" materials. Please dress your child to get messy.

Makerspace Programs (ages 6 and up)

These programs may be a craft, art or even STEM activity. The intent is to introduce and encourage patrons to explore and develop an interest in a variety of arts and crafts. STEM programs are intended to promote science and math development through fun and challenging activities. All materials are provided.

Talk like a Pirate Day

September 19th

9:00 – 5:00

Avast there! Join us for a fun day of games and activities for landlubbers and swashbucklers alike! Dust off your hats, polish those peg legs, and swing over to the library to enjoy all things pirate (except for actual piracy of course.)

9:00 – 5:00 Treasure Hunt – Solve clues on the map to find the treasure.
Trivia Contest – Test your knowledge of pirate lore.

10:00 AM – Parrot Craft – make a parrot using beads (ages 5 and up).

2:00 PM – Battle of Tortuga – the pirates are attacking Fort Tortuga. Will you join the bold pirates or the brave defenders? A fun faux battle with paper ships, cardboard forts and foam cannon balls. This event is for ages 6 and under.

Homeschool Science Club (Middle School: 5th – 8th grade)

1st Monday of each month 2:00 PM.

This is a 2-hour program. The first part will be for students to conduct an experiment or activity (i.e. build a robot). The second part will be for the students to decide what experiment or activity they would like to do the following month. They will have to determine what materials they will need and theorize what results they expect.

Homeschool Book Club (Middle School: 5th – 8th grade)

2nd Monday of each month 2:00 PM.

The participants will choose from a selection of recommended books. Books will be based on specific genre or themes rather than having everyone read the exact same book. Participants will meet the following month to discuss their books. The meetings will have guidance from library staff but will encourage student lead discussions.

All events and activities are free unless otherwise noted.

Pre-registration is not required unless otherwise noted.

Events/activities are subject to change or cancellation without notice.
