**Summary:**

Packed with interactive insert...

a one-of-a-kind look at the classes, professors, and year, students clamber aboard the Hogwarts Express the start of another magical school year. This magical scrapbook takes young Hogwarts School of Witchcraft and Wizardry, covering everything from how students are sorted into their houses to the many magical subjects they study while there. It provides information about the professors, classrooms, and key lessons seen in the films, each with concept illustrations, behind-the-scenes photographs, and fascinating reflections from the actors and filmmakers, to give readers a fascinating peek at Hogwarts academic life.
