Health Care Provider	Health Care Provider Phone	

PRIVACY ACT STATEMENT

AUTHORITY: 10 U.S.C. 3013, Secretary of the Army; 29 U.S.C. 794, Nondiscrimination Under Federal Grants and Program; DoDD 1342.17 Family Policy; AR 608-75, Exceptional Family Member Program; AR 608-10, Child Development Services.
PRINCIPAL PURPOSE: Information will be used to assist Army activities in their responsibilities in overall execution of the Army's Exceptional Family Member Program (EFMP) and the Army Child and Youth Services Program.
ROUTINE USES: The DoD "Blanket Routine Uses" that appear at the beginning of the Army's compilation of systems of records apply to this system.
DISCLOSURE: Disclosure of requested information is voluntary; however, if information is not provided individual may not be able to participate in Army Child and Youth Services Program.

In order to ensure the child/youth can be accommodated in a safe and healthy manner into a group child care setting, this plan should be completed by the child's health care provider in coordination with the CYS Services child/youth center's health consultant/Army Public Health Nurse (APHN) and the parent(s)/guardian(s). This plan should be developed with the understanding that child caregivers (non-medical personnel) responsible for caring for children in a group setting may be performing the tasks ordered on this Diabetes Daily Medical Action Plan. APHN Contact Information: _____

Date of Diabetes Diagnosis: _____ Type 1 Type 2 other: _____
DAY/MONTH/YEAR

Normal blood glucose range for child/youth: _____ to _____

DAILY CARE REQUIREMENTS (required during child care hours)

- Food Monitoring Blood Glucose Monitoring Activity Monitoring Insulin Therapy
 Other: _____
