Handling Emergencies

1. CONTACT THE REAR DETACHMENT COMMANDER WITH ANY INFORMATION.

Rear Detachment Commander: _____

Office number: _____

Home number: _____

2. NOTIFY THE AMERICAN RED CROSS:

7103 B HedgeRow Court

Office phone: (270) 798-2171

Office hours: 0800-1630 Monday thru Friday (except holidays)

After hour number: 1-877-272-7337 (toll free)

Family members such as parents or in-laws need to contact their local Red Cross where they reside. (Check local information or www.campbell@redcross.org)

Red Cross Messages Include:

- Verification of critical illness or death of an immediate Family member (or grandparent) of active duty military or their Spouse.
- Immediate Family-mother, father, sibling, Spouse, child, (Includes in-laws and steps).
- Birth announcements. Pre-birth notification (in the case of serious medical problems for mother and/or baby).
- Breakdown of child care plans-verification from doctor or other sources that caused breakdown in childcare.

Message Timeline:

- Message verification is from the Red Cross office **where the emergency occurs.**
- **Delays occur when doctors require a signed release, Family phone numbers are incorrect or not available, and the Soldier's information is incorrect or unknown and other factors.**
- With the verification, the Red Cross will contact the Brigade or Battalion Staff Duty with the case number and the contents of the message.
- During deployments, the message goes to the Red Cross in the forward area who then relays the message (with limited communications) to the Staff Duty/Chain of Command.
- Messages are not normally given to the Rear Detachment.

Other Information:

- Blanchfield Army Community Hospital (BACH) Emergency Room will not provide verification for a patient who received treatment and is released.
- Emergency leave is a Commander decision. Red Cross provides verification to assist the Commander in making a leave decision.
- To initiate a message, Red Cross will need:

(Please refer to your Quick Reference Emergency Information on Page 3)

1. The full name, rank, social security number and current military address (including zip code) of the service member;
2. Nature of the emergency;
3. The doctor's name, the funeral home, name of the local point of contact, the phone number and the city and state.

The Red Cross and the various Military Aid Societies have Memorandum of Understanding (MOU's) in place to provide access to financial assistance 24/7 for service members. If the service member, or their authorized Family members need financial assistance and can not get to the appropriate aid society, or it is outside their normal duty hours, service members/Family members should contact the nearest Red Cross station or chapter. If they can not find a Red Cross Chapter in their area, and they are not near a military base, they can call our toll free number **1-877-272-7337 for assistance**. The Red Cross worker will process the request through the military aid society and will provide the assistance on behalf of that aid society if it is approved. So, even though the service member may be receiving a Red Cross check for the assistance, they will be signing an allotment to repay the aid society because the assistance is really coming from that aid society - just with Red Cross assistance.

Note: Sending a Red Cross message does not insure the Soldier will return home, it just provides verified information for the Commander and Soldier to base a leave decision.*

Medical Evacuation Process for your Soldier returning to BACH

Case Managers and members of the Command at Blanchfield Army Community Hospital will meet your Soldier at the Air Field when your injured or ill Soldier returns to Fort Campbell through the Air Evacuation system. Family members are asked to go to BACH and meet your Soldier upon arrival in the "A" Entrance lobby. Your Soldier will be evaluated by a primary care provider upon return. At that point your Soldier will either be admitted for overnight stay or released to go home and return to the hospital for future appointments. A member from your Soldier's Rear Detachment Command, a Red Cross representative, and the BACH Warrior in Transition representative will be able to assist you, the Family member, until you are able to join your Soldier. Your Soldier will be assigned a Primary Care Manager (PCM) and a Case Manager within the Deployment Health Clinic. PCM manages your Soldier's healthcare by assisting in diagnosis, planning, treating or referring medical needs to another specialty provider. The Case Manager will assist to expedite your Soldier's healthcare delivery.

Very Seriously Injured/Seriously Injured Information

If your Soldier is very seriously injured (VSI) or seriously injured (SI) while deployed, you will usually be notified telephonically. If you are notified by someone other than the Rear Detachment Commander of a VSI /SI, please contact your Rear Detachment immediately to confirm the information.

Casualty Assistance Information

It is a fact that the military can be a dangerous profession. If there is an incident in which a Soldier is injured, wounded, killed, or missing in action there are specific Army procedures for informing the Family.

DO NOT listen to rumors.

- Notification of minor injuries on a deployment will **probably** be made through a direct call from the Soldier.
- If the Soldier is seriously injured or wounded, Families are notified of the injury to their Soldier in a number of ways. Some Families receive phone calls from their Soldier who then tells them of their injury. Often another military member present may speak to the Family to provide additional information. "Official" notification occurs when either the rear detachment (military member of the Soldier's Unit left behind at the home station to take care of Families) or the Department of the Army Wounded in Action Branch (**DA WIA**) calls to notify the Family.
- During "official" notification, the Family is told the status of the Soldier to include the most recent assessment of the injuries, and is given a phone number for the DA WIA to call with questions or update requests. The service member who does the "official" notification is not a health care professional and can not offer explanations of injury or medical terms. The number to DA WIA is **1-800-626-3317**. The DA WIA will initiate phone calls to the Family for updates on the movement of the Soldier and changes in medical condition. A "Needs Assessment" checklist is done within hours of official notification so that the DA WIA is able to coordinate travel quickly for the Family if necessary.
- It is important to realize that a **casualty notification in the event of a Soldier's death will be made in person**. A Soldier in Class A "Dress" uniform of equal or higher rank but must be no less than a Sergeant First Class (SFC), Warrant Officer Two (CW2) or Captain (CPT) will be accompanied by a chaplain or a mature Soldier will come to your home. **Notification will not come from any other source.**
- **Casualty notification will be rendered by the military installation nearest you if you are away from Fort Campbell.**
- After notification of casualty, a Casualty Assistance Officer will be assigned to you in order to assist in applying for all benefits to which you are entitled. Don't be afraid to ask questions.
- The Casualty Assistance Officer will assist in the coordination for funeral arrangements.
- The CARE Team from the unit may also be called upon to help in a time of need.
- The Army is committed in serving you in your time of need.
- Questions or concerns, please contact your Fort Campbell Casualty Assistance Center, at (270) 798-2085/4727/4729. After duty hours a representative can be reached by contacting the Division Staff Duty at (270) 798-9793.

It is extremely difficult to make sound decisions in the midst of turmoil. A person cannot predict how he/she will react in a crisis and often regrets decisions made during that time. The following Final Thoughts Worksheets are provided to assist you.

CARE TEAMS

WHAT IS A CARE TEAM?

- Care Team = Casualty Assistance Response Team.
- The program is administered by the Brigade Rear Detachment Commander (RDC)
- A group of 2-3 trained volunteers provide support to the Family of a deceased Soldier immediately following official Death Notification.
- Members of Care Teams will be selected based on the needs of the Family.

CHARACTERISTICS OF CARE TEAM MEMBERS:

- Mature
- Possess Life Experience
- Discrete
- Emotionally Stable
- Should not be going through their own crisis at the time
- Trained volunteers
- Bound by confidentiality (confidentiality form is signed following Care Team training)
- Be aware and awake--what you want may not be what they want
- Assigned by RDC based upon availability and needs of the Family
 - Volunteers must provide RDC/FRSA/FRL with days/hours available
 - Volunteers may be picked due to language skills
 - Volunteers must sign a confidentiality statement

CARE TEAM PURPOSE:

- If requested by the Spouse and/or Family, the Care Team allows for a pre-established plan that may offer short term logistical support to the Families of deceased Soldiers, being sure not to duplicate any assistance or services provided officially through the Army and Army service agencies.
- Establishes a “first response call team” to assist Families when requested.
- Coordinates with other Care Teams to provide collateral support when needed.
- The Care Team provides assistance to the Family under the guidance of the BCT Rear D CDR and BN Rear CDR.
- Coordinate with BN Rear D CDR, Chaplain and also the CAO, if/when necessary and ONLY at the request of the Family.

Coordination for Care Team training is done at the Brigade level. Several dates have or will be planned. Ask your FRG leader and/or FRSA/FRL for the next available date. This training is good even if you decide volunteering for a Care Team is not for you. It helps Family members understand what Care team volunteers are asked to do and what they can provide to the Family of the Soldier.

The Family Readiness Group

The How: The concept of Family Readiness Groups (FRGs) is a direct result from our Grenada (Operation Urgent Fury) and Panama (Operation Just Cause) experiences. Commanders of deployed units discovered that while their units were highly trained to fight, little if anything was done to train and prepare Families to better cope with the stresses and unique problems often arising during extended times of unexpected deployments of their Soldiers. Some type of organization was needed within each unit to address this serious shortcoming, so that in time of crisis, Families would be better able to take care of themselves.

The FRG: The official definition of a Family Readiness Group is, "A Command-Sponsored Organization of Family members, volunteers, and Soldiers belonging to a unit that together provides an avenue of mutual support and assistance and a network of communications among the Family members, the Chain of Command, and community resources."

Family Readiness Groups may be different for every unit, depending upon the Commander, the Leader, the number of Families involved, and available resources. All FRGs throughout the Army share the same purpose-to empower Army Families and make them independent rather than dependent.

The role you play in your FRG is your choice. You are welcome to participate as much as you would like to, or are able. There are many projects to become involved in, each of them important in their purpose, such as communications, newsletters, hospitality, social functions, and fundraising.

Family Member's Role & Responsibilities

- If you need help or information, contact someone on your chain of concern roster.
- If you are going to leave the area, please let your Family Readiness Group (FRG) Leader and Rear Detachment Commander know where you are going, provide your contact information & when you will return.
- Keep a copy of your chain of concern and emergency numbers close to your phone.
- Keep emergency phone numbers and contact information with you at all times, to include in your vehicle.
- Make a Family Care Plan for the Family member as well as the Soldier. For more information about a Family Care Plan for yourself, contact your Rear D/FRG Leader.
- If you have not been contacted by your Rear Detachment Commander or FRG, initiate contact with them.
- Know your unit (Company, Battalion, and Brigade)

Family Readiness Groups Are:

- Empower Families to become more knowledgeable and self-reliant
- Promote more efficient use of community resources
- Reduce Soldier and Family member stress
- Increase the Soldier's ability to devote his/her full attention to the mission
- Care for each other
- Provide a helping hand when needed
- Answer questions
- Give moral support
- Establish a sense of Family within the unit
- Access information and resources to help you solve problems
- Provide an effective way of gaining information and control during deployment and other times

- Help Family members develop a more positive attitude toward themselves, the unit, the deployment, and the Army
- Increase morale
- Foster increased levels of cohesion and confidence for Family members and deployed Soldiers
- Unite other Family programs designed to improve the quality of life

Family Readiness Groups Are Not:

- Part of the casualty notification process
- Childcare services
- A surrogate parent
- A social worker
- A taxi/bus service
- A loan agency
- A lending closet/service

Virtual Family Readiness Group Web System

www.armyfrg.org

The Virtual Family Readiness Group (vFRG) Web System provides all the functionality of a traditional FRG in an online setting.

- The vFRG website is the Army's online tool to provide FRG information to Family members.
- The Soldier must register the Spouse or other Family member under the unit website within vFRG, to allow access.
- Fort Campbell intends to maximize use of this resource.
- The vFRG is the *only* official Unit website.

Before you begin the vFRG registration process, you will need an email address, and your Soldier's last four of his/her social security number. If you don't have an email address you can create one free at www.yahoo.com or www.hotmail.com. There are prompts to help you throughout the whole registration process.

Registration Steps:

1. Go to www.armyfrg.org
2. On the Army FRG main page you will see a box on the top right that reads "Register." Click on the word register to start.
3. Select FRG location
Choose the state of KY
4. Select "**Your unit**" This is the main brigade site and where all the battalion pages are located.
5. Next you will need to know your Soldier's information. There are 6 fields/questions that you will need to answer in this section
 - a. Subscribe as a "Family member"
 - b. Tab to the next field and type Family member's *First Name*
 - c. Tab to the next field and type Family member's *Last Name*
 - d. Tab, then type your Sponsor's *first name* (sponsor=your Soldier)
 - e. Tab, and type your Sponsor's *last name*
 - f. Tab into the final field and type your Sponsor's last four digits of their social security number
6. In the final step, you will be asked to create a username and password. You will also be asked for your email address. Your email address will be used to send you a confirmation and to send you lost passwords. Once you have filled out all the blocks, click on Continue Registration.
7. After the system administrator verifies all the information, you will be granted access to the vFRG site for "Your Unit", verification may take up to 48 hours. Once you have received email confirmation, you can use your login information to login and be connected.

Entitlements

- Basic Pay, Basic Allowance for Housing (BAH), and Basic Allowance for Subsistence (BAS) remain current based on Soldier's status prior to deployment with the exception of Soldiers on meal cards. These individuals will have their meal deductions stopped for the duration of the deployment. **Ensure meal deductions are restarted upon return.**
- Family Separation Allowance (FSA): To qualify for FSA, Soldiers separated from their Family members must be deployed for more than 30 days. The amount payable for FSA is \$250 per month (\$8.33 per day) and will reflect on the LES as FSH. The entitlement is retroactive back to the day they leave Fort Campbell and stops the day before returning back to Fort Campbell.
- Hardship Duty Pay (HDP-L): If authorized, HDP-L can be paid a rate of \$50.00 - \$150.00 per month depending on location. Soldiers on temporary duty must be on duty in the area for 30 consecutive days and on the 31st day are entitled retroactive to the first day the Soldier reported to duty in the location. This will reflect on the LES as HDP-LOCATION.
- Hostile Fire Pay/Imminent Danger Pay (HFP/IDP): HFP will stop the day you depart the area. HFP will be paid for the entire month, regardless of how long you spent in the area of operation. Amount is \$225 per month and will reflect on LES as HFP.
- Combat Zone Tax Exclusion (CZTE): All enlisted Soldiers and warrant officers are exempt from federal income tax while deployed. Commissioned officers are exempt from federal income tax on amounts up to \$8,222.10 per month (base pay of Sergeant Major of the Army and Hazardous Fire Pay). Soldiers have 180 days after redeployment to file federal income taxes. Please write "OEF/OIF from (start date) to (end date)" at the top of your return and you won't pay a late fee or penalty.

For further information on pay/entitlements check out your AKO (Army Knowledge Online) **MYPAY** site at <https://mypay.dfas.mil>. Question or Comments contact: 270-412-5633/5634. For more information on AKO, ask your Rear D or FRG. To access this site you will need a PIN number.

Helpful Information

Bank Accounts:

Soldiers should establish a joint checking or savings direct deposit account that is maintained by the Family member. Beware, due to distance and difficulty of communication, a check overdraft may occur if both Soldier and Family member write checks drawn on the same account. Therefore, the Soldier should consider opening a separate checking account or have the Family member make monthly deposits to the account. Prior to deployment, sit down with your Soldier and review all entitlements and bills that will be due during the separation and plan accordingly. (See the checklist at the back of the book for suggestions.)

Allotments:

Service members should start allotments for recurring payments prior to deployment. Discretionary allotments are authorized for commercial life insurance, car loans, and support of Family members, mortgages, consumer credit loans, and deposits to a financial institution. If

you have to take casual pay for any reason such as emergency leave, your allotment will still be secure. This eliminates a surprise shortfall in pay to the Family.

Savings Deposit Program:

- Savings account linked to Soldier's pay
- Accrues 10% annual interest, compounded quarterly (2.5% per 3 months, average balance)
- Quarter begins at first contribution, 3 months later, interest accrues
- Interest only accrues for up to \$10,000 in account
- Interest accrues for up to 90 days after redeployment
- Only interest is taxable
- Soldier can make contributions while in country via:
 - Check, (check is the most convenient method)
 - Money Order
 - Cash or Allotment

For more information go to <http://www.dod.mil/comptroller/fmr/07a/07A1c28-00.pdf>

Thrift Savings Plan (TSP):

- Open seasons have been eliminated. Enroll anytime.
- Soldiers can contribute up to 100% of basic, incentive & special pays to include bonuses
- Current IRS limit of \$18,000.00 per year plus \$6,000.00 catch up contributions for Soldiers over 50 years of age
- www.tsp.gov

Credit Cards:

Keep plastic money to a minimum. It is great and may even be needed for emergencies, but it can give you a false sense of wealth where there really isn't any money.

Helpful Tips:

- You must have a DFAS Special Power of Attorney in order to start, stop or change an allotment. A General Power of Attorney will suffice for a LES request.
- You can use the extra pay (see entitlements) to pay for unexpected expenses now that your Soldier is away, such as: lawn care, childcare, emergency car care, and more.
- Know where important financial papers are kept.
- Keep a check on fraud by checking your credit at least once a year.
- If you live in on-post housing, your LES will reflect BAH and be deducted 100% for the cost of your quarters.

POWER OF ATTORNEY FACT SHEET

INTRODUCTION

Soldiers and Family members assigned to the 101st Airborne Division (Air Assault), where deployment-readiness is a way of life, soon become familiar with the term "power of attorney." A power of attorney (POA) can be a very helpful and necessary legal document for the spouse of a deployed Soldier. Unfortunately, if in the wrong hands, it can be a powerfully destructive document.

WHAT IS A POWER OF ATTORNEY?

With a POA, a "grantor" authorizes a designated person (an "attorney-in-fact") to act on the grantor's behalf. The POA is used when the grantor is not available to tend to personal business or other affairs. The uses of a POA are varied in scope and potentially limitless.

TYPES OF POWERS OF ATTORNEY

General POA.

This document authorizes the recipient to act on behalf of the grantor in respect to virtually any matter. A General POA (GPOA) should only be granted when long periods of absence are anticipated and actions necessary to protect the grantor's property and welfare are expected. A GPOA should only be granted to a person who is totally loyal to the grantor and who is mature and able to make sound decisions pertaining to important financial matters.

The Legal Assistance Office (LAO) will not assist a Soldier in executing a GPOA until the Soldier has read, initialed and signed a document indicating that the Soldier understands the risks involved in executing a GPOA.

Special POA

This document authorizes the recipient to perform only certain specified acts, such as selling a car, cashing a check, signing for household goods, signing a lease, etc. Since it is limited in

scope, a Special POA (SPOA) is preferable to a GPOA if it will suffice. The types of SPOA's available in the LAO include the following:

- **(Blank) SPOA:** Allows a Soldier to provide only limited authority to an attorney-in-fact to perform a specific act on behalf of the Soldier. The authority granted is narrowly tailored to the specific situation. This SPOA should be utilized if at all possible.
- **SPOA (Execute Lease/Establish Allotment):** Allows the attorney-in-fact to execute a lease and establish an allotment necessary to obtain on-post housing.
- **SPOA (Appointment of Guardianship):** Allows the attorney-in-fact to care for a Soldier's child (ren) and to authorize medical treatment.
- **SPOA (Military ID Cards/DEERS):** Allows the attorney-in-fact to obtain an initial or replacement ID card for dependent Family members and/or to enroll in DEERS
- **SPOA (DFAS):** Allows the attorney-in fact to obtain a copy of the Soldier's LES and to start, stop or change an allotment.
- **SPOA (Check Cashing):** Allows the attorney-in-fact to endorse, cash and receive the proceeds of any check which is made payable to the Soldier.
- **SPOA (Sell Real Estate):** Allows attorney-in-fact to sell real property to any individual of the attorney-in-fact's choosing.
- **SPOA (Purchase Real Estate):** Allows attorney-in-fact to purchase specific real property and to borrow money for this purpose.
- **SPOA (Accept/Terminate Quarters):** Allows attorney-in-fact to accept or terminate, on behalf of the Soldier and the Soldier's Family members, government housing.
- **SPOA (Ship/Accept Household Goods):** Allows attorney-in-fact to take possession of a Soldier's personal property and to arrange for the shipment of the property. Also allows individual to accept delivery of a shipment of the Soldier's household goods.
- **SPOA (Bills):** Allows attorney-in-fact to pay pre-existing debts. Authority includes negotiating with creditors and disputing debts.
- **SPOA (Use/Sell Automobile):** Allows attorney-in-fact to take possession of, and operate the Soldier's automobile. Also allows attorney-in-fact to sell the automobile.
- **SPOA (Purchase Automobile):** Allows attorney-in-fact to purchase and register an automobile for the Soldier.
- **SPOA (Ship/Accept Automobile):** Allows attorney-in-fact to accept shipment of or to ship a Soldier's automobile.

DOES A BUSINESS, ETC., HAVE TO ACCEPT A POA PREPARED BY THE LAO?

Third parties (banks, businesses, etc.) are not required to accept a POA. The grantor should therefore consult with such third parties in advance if particular transactions will require acceptance of the POA during the grantor's absence. The information provided below is meant to assist the Soldier in this regard.

Banks. There are two banks (Fort Campbell Federal Credit Union and Bank of America) located on the Fort Campbell installation and each bank has specific requirements and concerns. In addition, many Soldiers bank with USAA. Specific information in regard to each of these banks is provided below. (This information is as accurate and current as is possible). The Soldier should

always obtain needed POAs in advance and it is the Soldier's responsibility to present these documents to businesses involved in order that any problems may be resolved prior to deployment.

- **Bank of America (B of A):** Bank of America requires that the Grantor and the Attorney in Fact appear personally together at a Bank of America location to sign a new signature card. SPOA forms are also available and they provide Notary service.
- **Fort Campbell Federal Credit Union (FCFCU):** A GPOA or SPOA drafted by the LAO will be acceptable to FCFCU as long as an original (with raised seal) is presented. A SPOA may require that the attorney-in-fact appear in person and present identification on each occasion.
- **USAA:** USAA has made a "Deployment Power of Attorney Form" available on its website. This form may be notarized at the LAO.

Guardianship: In regard to enrolling children in school, it may be required that an actual order of guardianship be obtained from a local court. A SPOA (Appointment of Guardianship) obtained from the LAO may not be sufficient. Contact the LAO for "pro se" assistance in filing with the appropriate court in Christian County, Kentucky, or Montgomery County, Tennessee. The LAO and the U.S. Army do not control the policies of local schools and school boards.

Springing Power of Attorney: A "springing" SPOA is one that "springs into action" or becomes effective upon the occurrence of a specified event. Spouses are encouraged to get one prior to deployment.

IRS: A "Power of Attorney and Declaration of Representative" (IRS Form 2848) is available on the IRS website. (Part I of IRS Form 28480 must specifically reflect that the attorney-in-fact has authority to sign the return. Use of this form is optional.

Defense Finance & Accounting Service (DFAS): A SPOA is required to start, stop, or change an allotment, and to obtain a W-2 Form. A GPOA will not be accepted by DFAS. **A DFAS POA will NOT allow one to get cash advances from a Servicemember's pay.**

ID Card/DEERS: A SPOA is required in order for a spouse to renew or obtain a replacement ID card. A GPOA will not be accepted by DFAS.

TERMINATION and REVOCATION: The POA terminates with the death of either the grantor or the attorney-in-fact, or may be terminated on its own by a time limitation. A revocation will be effective when the grantor informs the attorney-in-fact and all third parties that the POA has terminated. Preferably, you should retrieve the document and destroy it. If you are unable to communicate with the attorney-in-fact, or if the attorney-in-fact refuses to give up the POA, the LAO can assist you in executing a formal Revocation of POA.

GETTING A POA: Soldiers may execute POAs and POA Revocations on a walk-in basis at the Legal Assistance Office (LAO) between the hours of 0930 and 1630 Monday, Tuesday, and Wednesday; Thursday 1300-1630; Friday 0900-1500. Please arrive at least 15 minutes prior to closing in order to allow adequate time to assist you. The LAO is located at 125 Forrest Road, Fort Campbell, Kentucky and the telephone number is (270) 798-4432.

BEFORE A DEPLOYMENT

GET ORGANIZED:

- Complete your Family Readiness Checklist. (See p. 45-47)
- Attend pre-deployment briefs / fairs and FRG meetings as possible.
- Review survivor benefits & entitlements with Soldier
- Complete a calendar with important dates written in it, such as: birth dates, holidays, anniversaries, vehicle safety inspection renewal dates, vehicle tag renewal dates, date for filing taxes, payment due dates and amounts etc. (Both Family member & Soldier keep a copy)
- Discuss how you plan to keep in contact during the deployment. (You may consider pre-addressing envelopes and purchasing stamps ahead of time)
- Make certain important documents and information are in order and accessible.
- If you have a full time job and children, make arrangements for childcare during your work hours, or if you are military, during duty hours, field duty and periods of mobilization. Does the person caring for your child have a power of attorney to assure necessary medical care? Do you have a Family care plan?

FOR THE CHILDREN:

- Spend time talking with your child about the deployment at your child's level, explain why dad/mom is going, where, with whom, and for how long.
- Sit down with the whole Family and talk about feelings. Let each member of the Family express how they feel about the separation. Discuss the rules of the house. Make them "House Rules" rather than mom or dad's rules.
- Encourage the older children to talk with the younger ones about previous deployments: how long it seemed, what they did, how they felt while dad/mom was away and when he/she returned.
- Encourage dad/mom to spend time individually with each child: just the two of you.
- Take a picture of each child with dad/mom.

DURING A DEPLOYMENT

- Know at least three of your neighbors. You may need their help during an emergency. They can also be a wonderful source of day-to-day support.
- Be active in your unit FRG, take advantage of training opportunities and support services.
- Volunteer, **You are needed!** Stay busy during the separation: church, school, sports, volunteering and FRIENDS.
- Take up a new hobby or return to the one you gave up for lack of time.
- Travel! New scenery and a change of pace, even if only a day trip, does wonders for the spirit. Plan on taking a friend! Don't wait for the phone to ring, take the lead! **(Remember to let your Rear D/FRG know where and for how long you will be gone.)**
- Stick to your budget.
- Prioritize what is critical and then pace yourself according to your own understanding of the way you function at your best. Be realistic and kind to yourself.
- Find another military Spouse in similar circumstances, time passes much faster with a friend.
- Do not try to please everyone. Learn to say "no."
- Exercise regularly. Get plenty of sleep. It is okay to go to bed early!
- Treat yourself like you treat your closest friend. Give yourself permission to be less than perfect or to take a break.
- Anticipate stress and prepare for it.
- Simplify.
- Avoid power struggles; teamwork makes the Family and the Unit stronger.
- Provide consistent limitations and feedback to children (and some adults).

- Learn about your acceptable/comfortable stress level. Some stress is normal and necessary. (It gets you out of bed in the morning).
- Know when to ask for help.

FOR THE CHILDREN:

- Display pictures of dad/mom at your child's eye level. Let each child have a picture of himself/herself with dad/mom in their room.
- Routine can work to your advantage (Avoid a "rut.")
- Make opportunities for special outings, especially on weekends and holidays when dad/mom would usually be home. (Picnics, walks, eating out, build a bird feeder etc.)
- Play dad/mom's taped stories.
- Have each child choose a chore that dad/mom usually does. It will be a special contribution to maintain the house and will develop responsibility.
- Keep in touch with teachers. Work together to evaluate, avoid or redirect behaviors resulting from Soldier's absence.
- Take advantage of children's deployment support programs.
- Make an effort to be sensitive to children's needs during deployment.

SAFETY PRECAUTIONS

Follow these tips whether your Spouse is home or not. A sudden change in the way you conduct your home and yourself may advertise your Spouse's absence.

- Do not tell people your Spouse is gone or discuss your Spouse's absence in public. **WARNING: car magnets, service stars, yellow ribbons, etc. often advertise your Spouse's absence!**
- When someone calls on the telephone and asks for your Spouse, NEVER tell the caller that your Spouse is not home. Tell the caller that your Spouse can't come to the telephone and take a message.
- Keep emergency phone numbers and your address by all the phones in your home.
- Always lock your doors and windows, draw your shades at night and leave a few lights on inside and outside whenever possible.
- Have a deadbolt lock installed. It is the most difficult to pick. Make sure your door has a peephole and a safety chain. (A safety chain is NOT adequate protection in case someone tries to force a door open.) Keep your doors locked at all times.
- Never open your door even a crack for anyone uninvited or unexpected. Use a peephole. If they claim it is an emergency make the phone call for them.
- Do not allow any stranger into your home when you are alone. If you are expecting delivery or maintenance have another person with you and call the company when the employee arrives.
- Use caution. Remember neighbors and acquaintances do not come with credentials.
- If you are not certain if someone else may have keys to your home, have the locks changed (consider previous tenants and their friends or neighbors with extra keys).
- Discontinue paper delivery if you will be away. Ask the Post Office to hold your mail until you return. **DO NOT LEAVE MAIL EXPOSED IN PLAIN VIEW** (i.e., in your car).
- Instruct children, Family and babysitters not to give out information about who is home, who is out, or for how long.
- Do not leave your keys hidden outside your home; they are too easily found.
- Most burglars and intruders enter homes through either OPEN doors or windows or doors and windows that are easily jimmied.
- When going to your car have your keys in your hand. Look inside and under the car as you approach it. Keep your car doors locked at all times. If your car breaks down, put up the hood, turn on the emergency

flashers and stay in the car with the windows up and the doors locked. If someone stops to help, give them a phone number to call.

- If you notice strangers loitering in your neighborhood, notify the police; with time, place, and description.
- To discourage burglars, have items (such as televisions, stereos, cameras, etc.) engraved with your name and last four digits of your social security number. Check with your local police for more information and current recommendations about engraving.
- If you suspect your home has been broken into DO NOT go in. Call the police from a neighbor's home.
- Do not go places alone, especially at night. Use the buddy system.
- Do not bring in your mail, newspaper, or gather clothing in from your line after dark.
- If you travel, consider a cellular phone.
- While walking keep your head up and your eyes open. Being aware of your surroundings is your best defense.
- Change your routes to stay out of obviously bad areas. Stay well away from bushes, parked cars, alleyways, and beggars.
- If you think you are being followed while walking, cross to the other side of the street and change your route to a well-lit populated area, or if you are driving, go to the police station.
- When you go anywhere, ask yourself, what would I do if I were attacked in this situation? **Be prepared!**

COMMUNICATION DURING A DEPLOYMENT

Ensure you have a mailing address before your Spouse departs or obtain the address from your Family Readiness Group when possible.

MAIL/Care Packages for Deployed Soldiers:

- Each letter/care package **MUST** include the rank/full name, unit and APO address of the Soldier. Packages sent to "ANY" Soldier will no longer be delivered.
- The sender must pay all postal charges.
- Check the United States Postal Service at <https://www.usps.com/ship/apo-fpo-dpo.htm> for monthly updates and tips.

Items that CANNOT be mailed to Deployed Soldiers:

- Explosives, firearms, ammunition, knives, flammable products, pornographic or obscene materials (i.e., photographs, videotapes, DVDs, magazines, etc).
- Perishable items such as fruit, vegetables, flowers, plants, pork or pork by products, narcotic and/or prescription drugs.

Items that CAN be mailed to Deployed Soldiers:

- Paperback books, playing cards, magazines, hometown newspapers, batteries (A, AA, & D preferred), music CDs, DVD movies, footballs, soccer balls, personal hygiene items for both male and female Soldiers.
- Canned foods including fruits, meats, soups, potato chips, cookies, hard candies, chewing gum, chapstick, powder drink mixes (Kool-Aid, lemonade, tea, sports drinks, etc.), socks, wash cloths, bath towels and baby wipes.
- Small gifts for Iraqi/Afghan children-toy cars, dolls, coloring books, crayons, paper and pencils

LETTER WRITING:

The need for two-way communication continues though you are separated by distance. The following is a guide that may make it easier to talk with each other by letter.

- Answer all questions. Write with your Spouse's letter and picture in front of you as though talking directly to him/her.
- Let your Spouse know how much you appreciate the letters, tapes, pictures, etc. In each communication mention one or two things that made you feel especially close.
- Remember that the need to express affection does not diminish with the miles. "I love you," means just as much when it is written during a deployment as it does when spoken in person.
- Share your feelings as openly as you can without indulging in self-pity. Let your Spouse know you would like him/her to share his/her feelings.
- Above all express yourself clearly so he/she won't have to think, "I wonder what she/he meant by that?" On the other hand don't try to read between the lines or interpret a puzzling remark. If you don't understand, ask questions in your next letter.
- Some husbands and wives number their letters to eliminate confusion.
- Have dad/mom send separate letters to each child in the Family. It will help maintain and strengthen their relationships. Children love to receive their own mail.
- Try to send photographs.

E-Mail:

E-mail access has become readily available during most deployments. It is a great way to have frequent contact with Family. However, e-mail can be a "mixed blessing". Be aware that in some theaters of operation electricity, power, and/or e-mail systems can function unreliably! If you become accustomed to a daily e-mail and suddenly

do not hear from your husband for several days, DO NOT PANIC! There could possibly be a “glitch” in the e-mail system or a **blackout which freezes communications temporarily**. Be patient!

- Understand that e-mail can be, and is, screened for sensitive information pertaining to military operations.
Do not discuss classified information!
- Sending nude or pornographic pictures via the internet through web cams or e-mail is punishable under Uniformed Code of Military Justice (UCMJ) for the Soldier! DON'T DO IT!
- Reread your message before hitting send - especially if they are emotionally charged!

Webcams are not always in a private room

TAPE RECORDING:

If letter writing is difficult for you, consider purchasing a pair of tape recorders so that you and your Spouse can send “talking” letters. Younger children can also say “Hello Dad/Mom” in their own words.

TELEPHONE CALLS:

Telephone calls are a quick way to communicate, but remember long distance and overseas calls can be very expensive. Remember the difference in time zones and depending upon the location of the Soldier, access to telephones/communication may vary.

TALKING WITH THE MEDIA

If you decide to talk to the media, here are some things to remember:

- Do not talk to the media about rumors.
- Do not talk about other people’s personal information.
- You don’t have to answer every question.
- If you don’t like a question, tell the reporter you prefer not to answer it.
- Don’t argue with a reporter. Be polite and firm, but don’t get emotional.
- It is your right to stop an interview at any time. If the reporter is rude, stop the interview.
- Deal in known facts.
- If the reporter says something you know is incorrect, correct him/her.
- Avoid speculating or answering “what if” questions.
- Don’t allow a reporter to rush you. When asked a question, take time to think your answer through and make sure you are comfortable with the answer.
- Do not answer or provide information on operational issues. Leave that to the Soldiers and Public Affairs.
- If a reporter is going to be on Fort Campbell they MUST be escorted by a Public Affairs Officer.
- The Public Affairs Office can help you prepare if you choose to be interviewed.
- The main Public Affairs Office number is 270-798-3025. After duty hours, the on call PAO can be reached by calling Division Staff Duty at 270-798-9793. Additional information is available at <https://www.campbell.army.mil/divpao/pao>

Social Media:

Social media is a good resource for keeping in contact over distances, but there are precautions to take:

Always keep Operational Security in mind.

Social media is not a secure means of communication.

Do not post specifics about missions.

Do not post addresses of service members overseas.

Avoid “checking in” at locations

Avoid posting details of being away from home.

Avoid posting details about your schedule.

Avoid tagging photo locations or sharing photos that may have tagged locations.

Posts from service members are subject to UCMJ. Service members could be liable for what a spouse or other Family member posts if the account has a joint name.

Beware of copyright infringements.

Once you post something online, it is there forever, even if you delete it. It may be your posts, photos, videos and more, but the website you post it on owns the content once you post it.

Let officials make official messages. Just because you have access to certain information, doesn't mean you should post about it. This is especially important in regards to the notification process for service members killed in action. The KIA notification is done a specific way. Do not post messages or make phone calls until after official notifications. Names of KIA are not officially released until 24 hours after next of kin is notified and sometimes the notification process can be lengthy.

Remember-You are a U.S. Army Soldier and you are expected to conduct yourself as a professional. No matter how private your social media use, you are a representation of the U.S. Army, the 101st Airborne Division (Air Assault) and Fort Campbell. As a family member, you are also a reflection of your Soldier and his or her chain of command.

For more information about the U.S. Army and social media, go to www.army.mil/media/social media or www.slideshare.net/USArmySocialMedia. On Facebook you can go to www.facebook.com/USMilitary. The main Fort Campbell Facebook pages are www.facebook.com/FortCampbell, www.facebook.com/101st and www.facebook.com/101stCG.

For more information or help with social media, contact the Fort Campbell Public Affairs Office at (270) 798-3025.

Time Conversion Chart

To learn the time where your Spouse is stationed, first find the time where you live, read across under the location of your Soldier. This will tell you the time at his/her location. Example, if it is 1900 hours (7:00 P.M.) for you in the Central Standard Time zone, then it is 0400 hours (4:00 A.M.) for your Soldier in **SWA (Southwest Asia)**, or **1000 hours (10:00 A.M.) in Korea**.
