"It's all about you at Leisure Travel Services"

When you think of Recreation what comes to mind? Family excursions to Disney, romantic getaways at Sandals, day trips to local amusement parks? Well that's what we do, but, did you know...

We offer an unlimited amount of information, because if we don't have the information that you are requesting then we will do our best to find it for you. There are many individuals that don't have the time and/or skills to search and explore like we do. We search the internet and magazines; we network via email and telephone. We are constantly researching for our clientele, as well as to gain personal knowledge to better suit your needs. Although the majority of our in-house information is based on the top areas of recreation and relaxation, both local and international, we can assist you in any area of travel you are seeking.

Ticketing is based on contracts that are negotiated by the United States Army

Family and Morale, Welfare and Recreation headquarters on behalf of the military communities. Special rates are available to all members of the military communities, including active and retired military, members of the National Guard and Active Reserve, DoD Civilian employees, and Family members. Although many attractions offer government discounts to military when purchased on location, only tickets purchased through Leisure Travel Services are guaranteed to go back to the Soldier through the Family and Morale, Welfare and Recreation program.

Reservations can be made for any hotel wherever you need it. International and domestic airline reservations can also be made through us. Although we are not an official airline agency, we are here to help when you need it and will offer that service as requested. Fees may apply.

One of the many questions asked is "do you offer standard packages" and the answer is no. Many internet companies offer packages at incredible rates, but when

Most major cruise lines offer military discounts. These are usually the best rates going. Where else can you unpack one time and see up to four different destinations in one week? You can make it a weekend getaway for as little

as three nights or take a longer seven night cruise around the Caribbean. This is also a great way to go island hopping in Hawaii when you have a limited schedule.

Norwegian Cruise Lines offers seven night round trip sailings from Honolulu year round. One of the best things about cruising is the food. You will get gourmet meals in the formal dining room or you may visit the buffet. Onboard entertainment rivals that of Broadway and Vegas shows.

There are also full service spas, fitness centers, and casinos. Kids' programs on board offer age appropriate activities, movies, games, etc. as well as teen-only discos and deck areas on board.

FAQ's

Do you book airfare?

We are not an airline ticketing agency; however, we can assist in finding the best rates with the airlines directly. We can book international air (outside the United States/Canada) with one of our consolidators, provided the travel originates within the United States.

Do you sell concert tickets or local event tickets?

We may be able to get special military discounts for a few events; however, most concerts and shows will only be available through a particular venue or ticketing agency. Please check with us for any possible discounts.

Why can we sometimes get a better rate on our own rather than going through Leisure Travel Services? If you are here for the Soldier why are we, at times, charged more?

Leisure Travel Services strives to offer our military community the best pricing possible. It is true some vendors may have a "better deal." However, we encourage our clients to research all conditions and policies involved in the package. We are personally here to answer any questions regarding your booking and handle any issues that may come up. We do have a convenience surcharge on our attraction tickets, however all monies go toward the MWR program and Soldiers' quality of

life here on Fort Campbell. In addition, due to contract negotiations, some attractions may have a better military discount at the door rather than our rate here in the office. We do let our clients know how to get the best available rate.

Is my purchasing through the Leisure Travel Services Office really better for the military Family?

Purchasing through the Leisure Travel Services Office insures you have someone working to get you the best rate and all components of your purchase are accurate. Also all income from packages, tickets, etc. is returned to support your MWR Activities here at Fort Campbell.
