Upcoming Events

BACH Baby Steps Expo

Blanchfield Army Community Hospital's "BACH Baby Steps" Baby Expo is slated for Educational fair 10 a.m. to 2 p.m. May 25 at the Family Resource Center inside Gate 1. This educational fair is provided for Soldiers and beneficiaries who have delivered a baby within the past year, are currently pregnant, or planning to start a family. This event will feature community resources, as well as professionals from BACH educating and answering questions about a variety of topics such as prenatal care, appointments, medications, vaginal delivery, cesarean delivery, infant feeding, newborn care, postpartum care and much more.

National Mental Health Month

Congress designated the month of May as National Mental Health Month. Since 1949, the activities associated with National Mental Health Month have increased the public's awareness of behavioral health issues and the reality of behavioral health illness. Each year various organizations, community groups, Families and individuals across the country participate in this public campaign intended to raise awareness about behavioral health diagnosis such as depression, post-traumatic stress and a host of other behavioral health diagnosis impacting Soldiers, Families, Veterans and civilians.

TRICARE Retiree Dental Program

The TRICARE Retiree Dental Program (TRDP) ends on Dec. 31, 2018. The last day to enroll in TRDP is Oct. 31, 2018. Beginning in 2019, dental and vision plans will be available through the Office of Personnel Management's Federal Dental and Vision Insurance Program (FEDVIP).

- Vision: Eligible TRICARE beneficiaries will have four vision plan options.
- Dental: FEDVIP Dental will replace the current TRICARE Retiree Dental Program (TRDP). If you currently have TRDP, you will need to enroll in FEDVIP Dental to have dental coverage in 2019.

If you're eligible, the first opportunity to enroll in FEDVIP is during the 2018 Open Season. Coverage will start Jan. 1, 2019. For more details on the new coverage options, visit TRICARE.benefeds.com and sign up for email updates.

Health and Wellness

New Immunization Service

A new Adult Immunization Service is now available at the Town Center Pharmacy. This will provide adults without access to primary care for routine and adult immunizations the ability to receive immunizations from a clinical pharmacist at Town Center. BACH's goal is to increase immunization access for beneficiaries who are not on TRICARE Prime or not enrolled at the MTF. This initiative will also reduce the Defense Department's cost in the network for TRICARE beneficiaries needing vaccines.

Breast Cancer Support Group

Blanchfield Army Community Hospital hosts a Breast Cancer Support Group the third Thursday monthly in the hospital's "A" Building inside the Commander's Classroom from 2 to 3 p.m. The Commander's Classroom is next to the Staff Duty Desk. This support group is open to individuals who have been recently diagnosed or a breast cancer survivor.

Tobacco Cessation

The Army Wellness Center, 5662 Screaming Eagle Blvd., offers "Ready to Quit" every Tuesday from noon to 1 p.m. This briefing educates all TRICARE beneficiaries and DoD civilians about dangers of tobacco and assess readiness to join the Tobacco Cessation Program. The Tobacco Cessation Program is offered the 1st – 4th Wednesday monthly from noon to 1 p.m. For more information, call (270) 956-0100.

Patient Advisory Council

BACH is seeking patients to participate in the Patient Advisory Council. The Patient Advisory Council partners with patients and Family members to improve patient satisfaction, provide patient-centered care, bring patients' needs and concerns to the healthcare team and leadership, guide our priorities and planning for the future, and further enhance our relationship between the hospital and our community. If interested, email david.e.gillespie6.civ@mail.mil or call 270-956-0459.

"Babies in Buckets"

You asked and we listened!

For safety reasons, children are not allowed in our USO Wellness Center. *HOWEVER*, we recognize that new moms are looking for a way to get out of the house and get back in shape after having a baby. We are excited to offer "Babies in Buckets," a Wellness Center exception! New moms are invited to come in and use our Wellness Center with their baby, as long as the baby remains safely contained in their "bucket" (car seat)—*suggested age: newborn-3 months*. No STROLLERS, PLEASE!

*We do ask that moms are courteous of others who are using the Center,
and take baby out if he/she becomes fussy.*

*(We thank you in advance for understanding that not everyone
thinks your newborn's cries are as adorable as you do!)*

* This is not an organized exercise program, just an invitation to come and work out in our Wellness Center!

THANK YOU TO OUR SPONSORS!
