USO Wellness Center Work Out Opportunity!*

"Babies in Buckets"

You asked and we listened!

For safety reasons, children are not allowed in our USO Wellness Center. *HOWEVER*, we recognize that new moms are looking for a way to get out of the house and get back in shape after having a baby. We are excited to offer "Babies in Buckets," a Wellness Center exception! New moms are invited to come in and use our Wellness Center with their baby, as long as the baby remains safely contained in their "bucket" (car seat)—*suggested age: newborn-3 months. NO STROLLERS, PLEASE!*

We do ask that moms are courteous of others who are using the Center,
and take baby out if he/she becomes fussy.

(We thank you in advance for understanding that not everyone
thinks your newborn's cries are as adorable as you do!)

* This is not an organized exercise program, just an invitation to come and work out in our Wellness Center!

THANK YOU TO OUR SPONSORS!
