Upcoming Events

School and Sports Physicals Blanchfield Army Community Hospital (BACH) patient-centered medical home teams are conducting school and sports physicals now for BACH-enrolled TRICARE Prime beneficiaries during regular medical home hours Monday through Friday. In addition, BACH's patient-centered medical homes are offering several extended clinic hours and Saturday appointments throughout the summer months.

- Byrd Family Medical Home is slated to conduct school physicals from 7:30 a.m. to 4 p.m. on two Saturdays, June 23 and July 2.
- A consolidated School and Sports Physical Saturday Clinic will be offered at Byrd Clinic 7:30 a.m. to 4 p.m. Saturday, Aug. 4. This appointment date is set aside for individuals who arrive at Fort Campbell late in the summer and for individuals enrolled to a network provider.

Men's Health Month

June marks Men's Health Month, an opportunity to increase awareness about health issues important to men such as prostate, testicular, skin and colon cancers, hypertension, obesity and heart disease. Getting the most out of life requires a commitment to attitudes that foster healthy lifestyle choices. While men and women have many of the same health concerns, men may be affected differently than women. In addition, there are some conditions which are unique to men. Familiarity with men's health issues, regular screenings and prevention are keys to maintaining good physical wellness.

National Safety Month

Injuries are a leading cause of disability for people of all ages – and they are the leading cause of death for Americans ages 1 to 44. But there are many things people can do to stay safe and prevent injuries. You can make a difference: Spread the word about ways to reduce the risk of injuries. Encourage communities, workplaces, Families, and individuals to identify and report safety hazards. Use this month to raise awareness about important safety issues like:

- Medication safety and prescription painkiller abuse
- Driving, biking, and working safely
- First aid and emergency preparedness

- Preventing slips, trips, and falls

Everyone can get involved in reducing the risk of injuries. Together, we can share information about steps people can take to protect themselves and others.

TRICARE Retiree Dental Program

The TRICARE Retiree Dental Program (TRDP) ends on Dec. 31, 2018. The last day to enroll in TRDP is Oct. 31, 2018. Beginning in 2019, dental and vision plans will be available through the Office of Personnel Management's Federal Dental and Vision Insurance Program (FEDVIP).

- Vision: Eligible TRICARE beneficiaries will have four vision plan options.
- Dental: FEDVIP Dental will replace the current TRICARE Retiree Dental Program (TRDP). If you currently have TRDP, you will need to enroll in FEDVIP Dental to have dental coverage in 2019. If you're eligible, the first opportunity to enroll in FEDVIP is during the 2018 Open Season. Coverage will start Jan. 1, 2019. For more details on the new coverage options, visit TRICARE.benefeds.com and sign up for email updates.

New Immunization Service

A new Adult Immunization Service is now available at the Town Center Pharmacy. This will provide adults without access to primary care for routine and adult immunizations the ability to receive immunizations from a clinical pharmacist at Town Center. BACH's goal is to increase immunization access for beneficiaries who are not on TRICARE Prime or not enrolled at the MTF. This initiative will also reduce the Defense Department's cost in the network for TRICARE beneficiaries needing vaccines.
