### **School and Sports Physicals**

Blanchfield Army Community Hospital (BACH) patient-centered medical home teams are conducting school and sports physicals now for BACH-enrolled TRICARE Prime beneficiaries during regular medical home hours Monday through Friday. In addition, BACH's patient-centered medical homes are offering several extended clinic hours and Saturday appointments throughout the summer months.

- Byrd Family Medical Home is slated to conduct school physicals from 7:30 a.m. to 4 p.m. Saturday, July 2.
- A consolidated School and Sports Physical Saturday Clinic will be offered at Byrd Clinic 7:30 a.m. to 4 p.m. Saturday, Aug. 4. This appointment date is set aside for individuals who arrive at Fort Campbell late in the summer and for individuals enrolled to a network provider.

Beneficiaries are encouraged to schedule an appointment now by calling the Appointment Line at 270-798-4677.

### **TRICARE Retiree Dental Program**

The TRICARE Retiree Dental Program (TRDP) ends on Dec. 31, 2018. The last day to enroll in TRDP is Oct. 31, 2018. Beginning in 2019, dental and vision plans will be available through the Office of Personnel Management's Federal Dental and Vision Insurance Program (FEDVIP).

- Vision: Eligible TRICARE beneficiaries will have four vision plan options.
- Dental: FEDVIP Dental will replace the current TRICARE Retiree Dental Program (TRDP). If you currently have TRDP, you will need to enroll in FEDVIP Dental to have dental coverage in 2019.

If you're eligible, the first opportunity to enroll in FEDVIP is during the 2018 Open Season. Coverage will start Jan. 1, 2019. For more details on the new coverage options, visit [TRICARE.benefeds.com](http://TRICARE.benefeds.com) and sign up for email updates.

## **Health and Wellness**

### **New Patient Welcome Book Available**

Transitioning to a new location can be stressful, but Blanchfield Army Community Hospital wants your transition of care to be seamless. A new welcome book has been designed to help patients better understand services and benefits available. Learn the first steps to take before accessing medical care at Fort Campbell, including moving your enrollment and updating or correcting DEERS. Know how to access care, schedule appointments and navigate medical homes and services. The guide is available to view or download at <http://Blanchfield.amedd.army.mil>.

### **New Immunization Service**

A new Adult Immunization Service is now available at the Town Center Pharmacy. This will provide adults without access to primary care for routine and adult immunizations the ability to receive immunizations from a clinical pharmacist at Town Center. BACH's goal is to increase immunization access for beneficiaries who are not on TRICARE Prime or not enrolled at the MTF. This initiative will also reduce the Defense Department's cost in the network for TRICARE beneficiaries needing vaccines.

### **Breast Cancer Support Group**

Blanchfield Army Community Hospital hosts a Breast Cancer Support Group the third Thursday monthly in the hospital's "A" Building inside the Commander's Classroom from 2 to 3 p.m. The Commander's Classroom is next to the Staff Duty Desk. This support group is open to individuals who have been recently diagnosed or a breast cancer survivor.

### **Tobacco Cessation**

The Army Wellness Center, 5662 Screaming Eagle Blvd., offers "Ready to Quit" every Tuesday from noon to 1 p.m. This briefing educates all TRICARE beneficiaries and DoD civilians about dangers of tobacco and assesses readiness to join the Tobacco Cessation Program. The Tobacco Cessation Program is offered the 1st – 4th Wednesday monthly from noon to 1 p.m. For more information, call (270) 956-0100.

### **Patient Advisory Council**

BACH is seeking patients to participate in the Patient Advisory Council. The Patient Advisory Council partners with patients and Family members to improve patient satisfaction, provide patient-centered care, bring patients' needs and concerns to the healthcare team and leadership, guide our priorities and planning for the future, and further enhance our relationship between the hospital and our community. If interested, email [david.e.gillespie6.civ@mail.mil](mailto:david.e.gillespie6.civ@mail.mil) or call 270-956-0459.
