### **Upcoming Events**

#### **Footprints on Our Heart**

Blanchfield Army Community Hospital's Labor and Delivery Nurses and Chaplain are hosting a remembrance event on the A building lawn at 10 a.m. Oct. 18 for parents who have suffered a pregnancy loss or grieved the loss of a child. "Footprints on our Heart" is an annual event for Families who have lost a baby through miscarriage, ectopic pregnancy, intrauterine fetal demise or infant death.

BACH organizers are also including Families who have lost older children as well for this community event focused on remembrance and healing. Other supporters, including friends, neighbors and extended family are also encouraged to attend and participate. This event will feature comments from the hospital chaplain, remembrance activities, and bubbles for participants who wish to send bubble wishes in memory of their baby or child. The event will also allow Families to connect with others who have shared their experience and grief.

#### Columbus Day observed

Blanchfield Army Community Hospital personnel will observe the Columbus Day National Holiday Monday, Oct. 8. All outpatient services and pharmacies will be closed. All inpatient and emergency supported services remain open 24/7. The Town Center Pharmacy and Main Hospital Pharmacy will operate on a DONSA schedule Friday, Oct. 5.

#### Organization Day

Blanchfield Army Community Hospital staff will observe Organization Day Friday, Oct. 19, an afternoon set aside annually for staff to build esprit de corps and celebrate their roles to help promote health and wellness in the Fort Campbell community. Although Patient and Soldier-Centered Medical Homes will not be scheduling or accepting walk-in appointments after 10:30 a.m., Friday, Oct. 19, patients with acute symptoms are still encouraged to call the appointment line. Specialty services will be closed to patients, except for X-ray, laboratory and other ancillary services that are considered an emergency.

#### Monthly Patient Advisory Council

BACH is seeking patients to participate in the Patient Advisory Council. The Patient Advisory Council partners with Soldiers and Family members to improve patient satisfaction, provide patient-centered care, bring patients' needs and concerns to the healthcare team and leadership, guide our priorities and planning for the future, and further enhance our relationship between the hospital and our community. If interested, email:

usarmy.campbell.medcom-bach.list.pao-users@mail.mil or call 270-956-0459.

#### Health and Wellness

##### September is Suicide Prevention Awareness Month

Suicidal thoughts, much like mental health conditions, can affect anyone regardless of age, gender or background. In fact, suicide is often the result of an untreated mental health condition. Suicidal thoughts, although common, should not be considered normal and often indicate more serious issues. If you or someone you know is in an emergency, call 911 immediately. If you are in crisis or are experiencing difficult or suicidal thoughts, call the National Suicide Hotline at 1-800-273 TALK (8255).

##### Childhood Obesity Awareness Month

One in three children in the U.S. are overweight or obese, putting kids at risk for health problems once seen only in adults, like type 2 diabetes, high blood pressure, and heart disease. Make a difference for kids: spread the word about strategies for preventing childhood obesity and encourage communities, organizations, families, and individuals to get involved. Get active outside: Walk around the neighborhood, go on a bike ride, or play basketball at the park.

Limit screen time: Keep screen time (time spent on the computer, watching TV, or playing video games) to 2 hours or less a day. Make healthy meals: Buy and serve more vegetables, fruits, and whole-grain foods.

##### College students can call NAL for medical assistance

Instead of trying to get a last-minute doctor appointment or incurring point-of-service charges for an urgent care visit, let the Nurse Advice Line (NAL) advise you. The NAL gives TRICARE beneficiaries access to care, 24 hours a day, 7 days a week. With just one call, you can get expert advice from our team of registered nurses. They will answer your urgent care questions, provide health advice, help you

find a doctor and if available, schedule a next-day appointment for you at a military hospital or clinic. Call the NAL the next time you are not sure where to go for help at 1-800-TRICARE (874-2273) and select option 1.

#### Tobacco Cessation

The Army Wellness Center, 5662 Screaming Eagle Blvd., offers “Ready to Quit” every Tuesday from noon to 1 p.m. This briefing educates all TRICARE beneficiaries and DoD civilians about dangers of tobacco and assess readiness to join the Tobacco Cessation Program. The Tobacco Cessation Program is offered the 1st – 4th Wednesday monthly from noon to 1 p.m. For more information, call (270) 956-0100.

#### Ongoing Support at Fisher House

The Fort Campbell Fisher House partners with Military Family Life Consultants & the Army Wounded Warrior (AW2) program to provide various support groups for our Wounded, Ill and Injured Soldiers. Meetings are each Wednesday in the Fisher House dining room. Lunch is provided from 11:30 a.m. to noon followed by group discussion. Registration is not required. Childcare is not available on-site.

#### Compassionate Family ~ 1st Wed each month

The group was formed to give Soldiers, spouses, survivors, and caregivers (including non-family) the support and strength to move forward together. This support group is open to individuals touched by: Cancer, Amyotrophic Lateral Sclerosis (ALS), also known as Lou Gehrig’s Disease, Multiple Sclerosis (MS), Cystic Fibrosis (CF), and any other serious, chronic, or life-threatening illness.

#### Caregiver P.E.E.R. Forum ~ 2nd Wed each month

Personalized Experiences, Engagement and Resources

If you are the spouse, friend, family member or loved one who assists a wounded, ill or injured service member or veteran in any activity of daily living...you are a military caregiver.

#### Warrior Women ~ 3rd Wed each month

For female veterans of any generation!

#### Art Class ~ 4th Wed each month

Arts for Hearts Clarksville is providing this class for our guests. WTB STs & Care-givers are welcome to join us —sign up is requested, event invitation will be posted on the WTB Facebook Group.

#### Whatever Wednesday – 5th Wed

Since these do not happen monthly, we’ll plan something as they occur.

Due to other events or situations happening at Fisher House, there may be weeks support groups may not be hosted. For reminders and updates, please join the Peer Support @ Fort Campbell Fisher House Facebook group.

More information can be found at [www.fortcampbellfisherhouse.org](http://www.fortcampbellfisherhouse.org).
