Installation Management Command integrates and delivers
base support to enable readiness for a globally-responsive Army

We are the Army's Home

Serving the Rugged Professional

The background of the image is a close-up, slightly blurred view of the United States flag. The stars and stripes are visible, with the blue field of stars on the left and the red and white stripes on the right. A semi-transparent white rectangular box is overlaid on the center of the image, containing the text of the Pledge of Allegiance.

**"I pledge allegiance to the flag
of the United States of America
and to the republic for which it
stands, one nation under God,
indivisible, with liberty and
justice for all."**

Trash Talk

- Campbell Crossing will be transitioning to a new waste company at the first of the new year.
- Residents can expect to see new trash cans and recycle bins delivered during the month of December.
- Pick up of old receptacles will happen at the end of the month.
- This transition should not affect anyone's weekly trash and recycle pick-up, however, if you do see a disruption in your service during this time, please contact your community office.

Holiday Decor Guidelines

The holidays are approaching, and we want our residents to stay safe when decorating. We want you to be creative when decorating your home, but please follow the guidelines below to ensure a safe and fun holiday season!

QUESTIONS?

Please contact your Community Office.

- Residents are NOT allowed on roofs for any reason.
- Do not penetrate roofs, siding or fascia with nails, staples, bolts, or screws when installing lighting.
- Use of lighting should be restricted from dawn to dusk.
- Carefully inspect and control ornamental lighting to avoid fire.
- Extension cords are intended for occasional use and should not be used on a permanent or semi-permanent basis inside or outside of your home.
- Decorations can be out thirty days prior to and two weeks after the Christmas/New Year season.
- Self-installed lighting must be used in proper applications and meet safety regulations.
- Outdoor lighting and electrical cords must be Underwriter Laboratory (UL) approved and designed for outdoor use.
- Residents are responsible for any damage and/or liability resulting from the use of ornamental lighting.
- Practice energy conservation and limit the use of ornamental lighting to the evening time.
- Be cautious of tripping hazards, sharp objects and over loading power outlets.
- Use appropriate surge protectors for indoor and outdoor decorations that require a power source.
