Warrior Care Month highlights the resilience and strength of these Soldiers and their Families and caregivers. This year's theme is "Right Soldier for the Right Reason." Throughout the month the Army will host Military Caregiver Symposiums, a Resource Fair and other events honoring these men and women and their Families, communicating the Army's commitment to wounded, ill, and injured (WII) Soldiers, their Families and caregivers. Warrior Care Month increases awareness and understanding of Warrior Transition Units as it commemorates Soldiers and Families for their service and sacrifice to the Nation.

The goal of the American Association of Diabetes is to educate the American population and eradicate the disease. BACH patients who are diabetic can attend classes, which are presented on the first Tuesday and Thursday of each month. The classes are three hours and provide information about prevention, maintenance and control of diabetes. Patient's PCM must submit a referral to attend one of the classes.

BACH is seeking patients to participate in the Patient Advisory Council. ## Health and Wellness

### College students can call NAL for medical assistance

Instead of trying to get a last-minute doctor appointment or incurring point-of-service charges for an urgent care visit, let the Nurse Advice Line (NAL) advise you. The NAL gives TRICARE beneficiaries access to care, 24 hours a day, 7 days a week. With just one call, you can get expert advice from our team of registered nurses. They will answer your urgent care questions, provide health advice, help you find a doctor and if available, schedule a next-day appointment for you at a military hospital or clinic. Call the NAL the next time you are not sure where to go for help at 1-800-TRICARE (874-2273) and select option 1.

### Tobacco Cessation

The Army Wellness Center, 5662 Screaming Eagle Blvd., offers "Ready to Quit" every Tuesday from noon to 1 p.m. This briefing educates all TRICARE beneficiaries and DoD civilians about dangers of tobacco and assess readiness to join the Tobacco Cessation Program. The Tobacco Cessation Program is offered the 1st – 4th Wednesday monthly from noon to 1 p.m. For more information, call (270) 956-0100.

## **MHS Nurse Advice Line Beneficiary Portal**

The Nurse Advice Line provides health care support to TRICARE beneficiaries 24/7. The Nurse Advice Line provides support to TRICARE beneficiaries at no cost to you. The team assists you in navigating your family's health care needs. Some of the services provided include:

- Health Care Advice
- Answers to Urgent Care Questions
- Assistance locating a Provider or Pharmacy
- Same and next-day appointment scheduling at military hospitals and clinics

Nurses who specialize in Pediatric, Behavioral Health and Obstetric care are available to support your family's needs. To support your continuity of care, we'll check back in on you and your family to ensure you're still confident in the nurse's recommended care plan.

Remember, if you have an emergency, call 911 or your local emergency service center. Visit the portal at <https://www.mhsnurseadvice.com/home>.
