National Brain Injury Awareness Month

Most Traumatic Brain Injuries in the military and in the civilian sector are mild TBIs, also known as concussions. Army Medicine adopted an "Educate, Train, Treat, and Track" strategy to address concussions in 2009 and implemented a garrison concussion management policy in June 2013, which mirrors the DoD's deployed concussion policy. Concussions also affect the rest of the Army Family, including our young people.

The Army is working to ensure Army parents are aware of the risks of concussion, understand what a concussion is, and what to do for their children if they've been involved in a potentially concussive event.

Soldiers and Family Members affected by TBI can be confident they will receive the world's finest treatment from our Army medical care community. This is accomplished through our continued collaboration with the Defense and Veterans Brain Injury Center (DVBIC), and sister Services. The DVBIC website (<http://dvbic.dcoe.mil/>) provides beneficiaries and healthcare providers with numerous educational tools and resources about TBI (clinical practice guidelines, patient education, information on chronic traumatic encephalopathy, etc.).

Locally, Blanchfield Army Community Hospital offers an elite traumatic brain injury and psychological health care team through Fort Campbell's Intrepid Spirit. The multi-disciplinary team of providers and staff work collaboratively to offer both modern and ancient practices to help Soldiers return back to duty or greatly improve their function in society. This service is provided on a referral basis from primary care teams.

General Wellness

Breast Cancer Support Group

Blanchfield Army Community Hospital hosts a Breast Cancer Support Group the third Thursday monthly in the hospital's "A" Building inside the Command Sergeant Major Classroom from 2 to 3 p.m. This support group is open to individuals who have been recently diagnosed or a breast cancer survivor. For more information, call 270-798-8299.

Tobacco Cessation

The Army Wellness Center, 5662 Screaming Eagle Blvd., offers "Ready to Quit" every Tuesday from noon to 1 p.m. This briefing educates all TRICARE beneficiaries and DoD civilians about dangers of tobacco and assess readiness to join the Tobacco Cessation Program. The Tobacco Cessation Program is offered the 1st – 4th Wednesday monthly from noon to 1 p.m. For more information, call (270) 956-0100.

Monthly Patient Advisory Council

BACH is seeking patients to participate in the Patient Advisory Council. The Patient Advisory Council partners with Soldiers and Family members to improve patient satisfaction, provide patient-centered care, bring patients' needs and concerns to the healthcare team and leadership, guide our priorities and planning for the future, and further enhance our relationship between the hospital and our community. If interested, email: usarmy.campbell.medcom-bach.list.pao-users@mail.mil or call 270-956-0459.

MHS Nurse Advice Line Beneficiary Portal

The Nurse Advice Line provides health care support to TRICARE beneficiaries 24/7. The Nurse Advice Line provides support to TRICARE beneficiaries at no cost to you. The team assists you in navigating your Family's health care needs. Some of the services provided include:

- Health Care Advice
- Answers to Urgent Care Questions
- Assistance locating a Provider or Pharmacy
- Same and next-day appointment scheduling at military hospitals and clinics

Nurses who specialize in Pediatric, Behavioral Health and Obstetric care are available to support your Family's needs. To support your continuity of care, we'll check back in on you and your Family to ensure you're still confident in the nurse's recommended care plan.

Remember, if you have an emergency, call 911 or your local emergency service center. Visit the portal at <https://www.mhsnurseadvice.com/home>.

Ongoing Support at Fisher House

The Fort Campbell Fisher House partners with Military Family Life Consultants & the DOD Warrior Care program to provide support groups for our Wounded, Ill and Injured Soldiers and their caregivers. Learn more at www.facebook.com/KYFisherHouse

Breast Cancer Support Group Meeting

A Breast Cancer Support Group Meeting is offered in BACH's A Building in the Commander's Classroom every third Thursday from 2 to 3 p.m. The group is for patients, Family, friends and staff who are interested in partnering with other newly diagnosed patients and survivors. This group offers gentle laughter, compassion and communication with others experiencing the same feelings and challenges. For more information, call 270-798-8299 or 270-965-0040.
