Your Summer Staff:

Our summer program is directed by experienced Child and Youth Program Assistants (CYPA). They are also trained/certified in CPR, First Aid, child abuse prevention, medication administration and food handlers.

Permission Slip for Field Trips:

Our MST staff have many fun activities and field trips planned for the youth! Permission slips for all field trips will be available at the front desk. Unfortunately if you do not sign a permission slip, your youth will not be permitted to attend the field trip. Phone-in permissions will not be taken.

Appropriate Dress:

During summer time many youth wear open toed shoes. Closed-toe shoes are required for gym, outside and all field trips. It's summertime and we know that open-toed shoes are wonderful, so we are encouraging our youth to bring a extra pair of shoes if needed. We do have a dress policy - please make sure the shorts are the appropriate length and that tank tops are not spaghetti straps. Youth will be sent home if their clothing is not appropriate.
