Old Business

Comment: Really like the new format of having a key note speaker who has more time.

Comment: No Wi-Fi- at Cole Park? Response: It is available - CPC Guest

Comment: I really missed hearing from MWR, USO FCSC and local communities. **Response:** We have included time for agencies to speak at the end.

Comment: Maybe shorten key speaker's time? Response: We have changed it from 15 min to 10 min.

Comment: Flag for Pledge of Allegiance? Response: Flag provided.

Comment: Would like to see a DODEA Rep at each Info Exch meeting. Response: A representative will be present as their mission allows.

Old Business

Comment: Monthly update on on-going construction on post. Response: Pending

Comment: Any chance of us going solar energy on post? Response: We have the largest solar array on an Army installation east of the Mississippi river. Right now the cost of solar energy is significantly higher than what we get from our electrical providers. Hopefully the cost eventually comes down to the point that we can go substantially solar.

Comment: Recruitment of FRG volunteers. Response: We have a new ACS Specialist on board and are planning a Volunteer Recruitment Fair. More to follow.
