Mardi Gras & Employee Awards made for a Successful MWR Celebration.

The Winter Quarterly MWR Awards celebration was held on Friday January 31 at the new ACS location, 1501 William D. Lee Road.

The Mardi Gras themed event was hosted by CYS and the room was decked out in Mardi Gras finest. Each seat was covered with goodies and decorations and there was a bounty of breakfast treats to eat, catered by the Warrior Zone.

There were plenty of fun games and each division fielded teams to compete for the top spot. In the end the NAF Support Division walked away with the most overall wins!

There were many awards presented throughout the ceremony including a recognition of all of the hard working MWR employees who helped plan and facilitate last October's Organizational Day.

The event was topped with the presentation of the Shining Star award presented to Rodney Hester from Army Community Service.

The Shining Star award is presented to an employee who demonstrates a single act during the quarter, exceeding customer expectation and being a stellar team player. Congratulations to Rodney and all awardees.
