Fort Campbell Spouses Club

fcscpublicaffairsofficer@gmail.com

- Join us on **March 18th from 1030 a.m.-1 p.m. @ Cole Park Commons** for our Kentucky Derby Luncheon! Grab your cocktail dresses & Derby hats and spend the morning bonding with Army friends and shopping with our wonderful vendors. This month's charity is **FUEL for Kids.** Requesting donations of Pop tarts, small boxes of cereal, pudding cups, Slim Jim's, fruit cups & 100% juice boxes that can be provided to local children over the weekends & school holidays. Please RSVP for the Luncheon at our website.
- Applications are now open for our 2020 scholarships & grants. Scholarships are available to military-affiliated high school seniors & spouses pursuing secondary education. Grants are available for local community organizations as well. Scholarship & grant applications must be postmarked by **March 15th** to be eligible. Please visit our website for more information.
- VICE Night 2020 "Denim & Diamonds" set for **Friday, April 24th @ Wilma Rudolph Event Center!** Get ready to dust off your cowboy boots & pull out your pearls for our largest charity event of the year! Tickets are available now on our website.

fortcampbellspousesclub.org

DES/Fire Safety (270) 798-3473

It's almost time to change our clock, so it's time to get your batteries now! Remember to change the batteries in your smoke & carbon monoxide detectors. Here are a few smoke & CO Alarm Tips:

- Test alarms at least **once a month** by using the test button.
- If you have an alarm with a removable battery, be sure to **change the batteries every 6 months.** If a battery is starting to lose its power, the unit will usually chirp to warn you. **Do NOT** disable the unit.
- Vacuum or blow out any dust that might have accumulated in the unit.
- NEVER** borrow a battery from an alarm to use somewhere else.
- NEVER** paint a smoke or CO Alarm.
- Install at least one smoke alarm on **every floor** of your home, including the basement, and in, or near **each sleeping area.**
- Smoke alarms **should not be installed** near a window because drafts could interfere with their operation.
- Families should also **develop & practice** a home fire escape plan.
- Always** follow the manufacturer's instructions for testing smoke alarms & replacing the batteries.

Please use your own social media to help spread the word & remind friends & family to change the batteries in their smoke & carbon monoxide detectors on **March 08th.** For up to date current fire safety information, follow us on Facebook @ <https://www.facebook.com/fortcampbellfiredepartment/>
