Old Business

Comment: Dog poop clean-up stations throughout the neighborhoods

Response: We have considered baggies along the walking paths in the past, and will bring the subject up again in our budget discussions.

Comment: Talking points was not included in the email sent out. Will we get the notes later?

Response: The talking points are sent out the afternoon of Info Exchange. They were sent at 11:42 am on 5 Feb 2019.

Comment: Thanks for pharmacy update. Communication is key

Old Business

Comment: Why can't we have these meetings via email or tele-conference? Time Management.

Response: Need clarification

Comment: Perhaps to appease parents concerned about drug dogs- make a post on school pages AFTER the dogs have gone through. This way kids and parents can see they were there.

Response: DES: DoDEA is welcome and encouraged to inform students and parents after we conduct a school walk-thru w/ our narcotics detective K9's.

DODEA: We can add the information to the high school's weekly Falcon flyer after the fact.
