### **School Zone Enforcement Plan 2020**

#### ➤ **Installation Provost Marshal Office**

- “Zero Tolerance”**: Military Police (MP) Patrols will conduct targeted traffic enforcement across the school zones in an effort to encourage drivers to maintain the posted “school zone” speed limits.
- Parents and students can assist our team efforts by following ***all traffic/pedestrian control devices*** and adhering to the direction of the MP Road Guards.
- Parents should assist by discussing with their students the “**safety**” necessity of using the designated school crossing locations **ONLY**.
- Parents should discuss with their students other safety matters, especially the risks associated with the ***distractions*** created by talking on cell phones and/or texting while crossing the street.
- MP's **will enforce** the parking/stopping in unauthorized student drop off locations.

## Crossing Point Plan for School Year 2020-2021

### **Barsanti Elementary:**

- MP @ McAuliffe Way & McAuliffe Drive
- MP @ McAuliffe Way & McAuliffe Loop

### **Lucas Elementary:**

- MP @ Airborne Street & Indiana Avenue
- MP @ Airborne Street & Mississippi

### **Barkley Elementary:**

- MP @ Gorgas & Bus Exit
- MP @ Danforth Drive & Houston Street
- MP @ Baker Street & Reed Avenue
- Crossing Sign @ Forrest Road & Gorgas Avenue
- Crossing Sign @ Kline Street & Houston Street

### **Marshall Elementary:**

- Crossing Sign @ Texas Avenue & Austin Avenue

### Times (unless otherwise stated) are as follows:

Morning = 07:45-08:30a.m.

Afternoon = 15:15-16:00p.m.

**Tuesday = 14:00-14:45p.m.**

## Stop Bullying

### ➤ **Types of Bullying**

#### - **Verbal**

- Teasing, name calling, taunting, threatening to cause harm, inappropriate sexual comments.

#### - **Social**

- Leaving someone out, spreading rumors, embarrassing someone in public, telling others not to be friends with someone.

#### - **Physical**

- Hitting, kicking, pinching, spitting, tripping, pushing, taking/breaking someone's property, making rude hand gestures.

## ➤ Cyberbullying

### Cyberbullying takes place over digital devices

- ✓ Cellphones, computers, tablets

### Cyberbullying includes:

- ✓ Sending, posting, or sharing negative, harmful, false, or mean content about another person
- ✓ May include private or personal information about that person

### Common places that cyberbullying occurs:

- ✓ Social media – Facebook, Instagram, Snapchat, Twitter
- ✓ Text message, instant message

### Special concerns about cyberbullying:

- ✓ Persistent - Able to continuously communicate 24/7
- ✓ Permanent - Cannot be removed once posted or sent.
- ✓ Hard to notice - Can go unnoticed by parents and teachers, and is harder to recognize.

## ➤ Bullying Prevention

### Help kids understand bullying

- Talk about what bullying is so kids can recognize it when it happens
- Tell kids how to stand up to bullying safely and how to get help
- Tell kids it's unacceptable
- Ensure kids know how to get help
- Urge kids to help other kids who are being bullied

### Keep communication open with kids

- Check on them often
- Listen to their concerns
- Understand their concerns
- Know their friends
- Be involved with your kids' lives
- Keep up-to-date on kids' events, friends, activities

### Set an example for your kids

- Model how to treat others
- Show kindness and respect to others
- Kids learn from adults' actions and behaviors

- **BACH Available Services List**

In response to the **COVID-19** pandemic, Blanchfield Army Community Hospital took immediate steps to lessen the impact of possible exposure of **COVID-19** to patients, hospital personnel and guests. BACH is taking a cohesive phased approach to begin offering more medical services. Patient safety, as well as the safety of hospital personnel, is of utmost priority. As long as conditions allow, more services are expected to begin reopening in the coming weeks. For the latest updates, visit <https://blanchfield.amedd.army.mil/>. Click the “**updates**” banner for a complete list of Blanchfield Army Community Hospital services available.

- **Appointment Line**

With the resumption of many services, the Appointment Line sometimes experiences an influx of patient calls creating a longer wait time than usual. We apologize if you have difficulty getting through. Other options to schedule appointments are via TOL or by sending a secure message through your care team. If you are experiencing **COVID-related** symptoms and are not able to get through the Appointment Line at **270-798-4677** or **931-431-4677**, you may also call the Nurse Advice Line at **1-800-TRICARE**.

- **COVID-19 Services**

Beneficiaries with **COVID-19** symptoms (fever, cough, shortness of breath) or who have been in close contact with a **COVID-19** infected person may call the hospital’s appointment line at **270-798-4677 (HOSP)** or **931-431-4677** seven days a week from 7:30 a.m. to 6 p.m. to reach the COVID-Triage Line. After hours, beneficiaries may call the MHS Nurse Advice Line at **1-800-TRICARE (874-2273)**. Nursing staff who support these phone lines can assist beneficiaries with their non-life threatening medical concerns and provide further guidance. Beneficiaries experiencing a medical emergency, such as severe shortness of breath or difficulty breathing, should call **911**.

- **Quarantine and Isolation**

If you have received a **COVID-19** test and are awaiting results, ***please remain quarantined*** until you have been cleared by the medical team. This includes attending any medical appointments not related to a **COVID-19** visit. Please stay at home until medically approved and help us keep each other safe from the spread of the **COVID-19** virus.

- **Immunization Awareness Month**

The Centers for Disease Control recommends 14 vaccines for children birth to age six, which includes chickenpox, diphtheria, Hib, Hepatitis A and B, influenza, measles, mumps, pertussis, polio, pneumococcal, rotavirus, rubella and tetanus. Please visit the CDC website at [www.cdc.gov/vaccines/schedules/easy-to-read/child.html](http://www.cdc.gov/vaccines/schedules/easy-to-read/child.html) to create a schedule for your child’s vaccine from birth or to see the recommended immunizations for children.

Talk to your care team if you have questions about the vaccines given to you or your children. Additionally, for vaccine questions, contact a health care provider 24/7 at **877-GETVACC (438-8222)**.

- **School and Sports Physicals**

Blanchfield Army Community Hospital patient-centered medical home teams are conducting school and sports physicals now for BACH-enrolled TRICARE Prime beneficiaries during regular medical home hours Monday through Friday. Beneficiaries are encouraged to schedule an appointment now by calling the Appointment Line at **270-798-4677**.

- **Women's Health Update**

All OB and Postpartum appointments will be face-to-face. Gynecology appointments are now being offered with limited availability at this time with priorities given to active duty readiness, abnormal Pap smears (dysplasia) and contraception appointments. Women's OBGYN surgeries continue to be limited to urgent and emergent cases with plans to expand surgical cases soon. COVID testing is performed for all labor and delivery admissions, scheduled inductions, and cesarean sections. The BACH COVID-19 visitor's policy remains the same: No visitors may accompany women to their outpatient visits to the Women's Health Clinic unless the visit is for a six-week postpartum check-up, immediate blood pressure check-up or wound check-up. Then, newborns are allowed to accompany moms.

### **BACH General Information**

- **How do I schedule/cancel appointments?**

For non-COVID concerns, patients may book or cancel appointments through [www.tricareonline.com](http://www.tricareonline.com) 24/7 or through BACH's Appointment Line at **270-798-HOSP (4677)** or **931-431-HOSP** during normal business hours Monday through Friday, 6 a.m. to 4:30 p.m. With services from TRICARE® Online Patient Portal Secure Messaging at [www.TOLSecureMessaging.com](http://www.TOLSecureMessaging.com), patients may schedule web visits with their primary care manager, book appointments, request and review lab and test results, email your care team a question, request medication refills, or request a referral. To register for online services, contact your care team administrator.
