Chapter 1

General

1-1. Purpose

This circular prescribes the policies, responsibilities, and procedures for hunting, fishing, and other outdoor recreation activities on the Fort Campbell Military Reservation. It is applicable to all persons who use the installation for outdoor recreation activities. It is the responsibility of each individual participating in outdoor recreation activities on Fort Campbell to read and understand this circular; and to comply with the policies and procedures prescribed herein.

1-2. Applicability

This circular is punitive in nature and applies to all military personnel, their family members, civilians, customers, partners, and contractors who perform duties, reside, utilize facilities, and /or enter and travel on the installation. A violation of any such provision is separately punishable as a violation of a lawful general regulation under Article 92, Uniform Code of Military Justice. Penalties for violating any of these provisions include the full range of statutory and regulatory sanctions, both criminal and administrative and do not preclude prosecution of military personnel under other regulations, provisions of the Uniform Code of Military Justice, or other laws, when such prosecution is appropriate. Violations by civilian employees' may be the basis for appropriate disciplinary action and civilian offenders may be removed from this installation, denied re-entry and prosecuted for violating the exclusion order.

1-3. State and Federal Laws

All persons participating in outdoor recreation activities on Fort Campbell will comply with State and Federal fish, game, and natural resources laws, all Army and Fort Campbell regulations, and will cooperate fully with representatives of law enforcement agencies. All firearms brought onto the installation will be registered with Directorate of Emergency Services, Visitor Control Center (VCC) IAW AR 190-11 and CAM Reg 190-1.

1-4. Responsibilities

a. The Commanding General is responsible for outdoor recreation, wildlife and fisheries management, and the hunting and fishing programs at Fort Campbell. He has delegated management authority for these programs to the Garrison Commander. The Commanding General retains the exclusive approval authority for use of normally restricted areas for recreational purposes.

b. The Garrison Commander has delegated the authority to plan and supervise the recreational aspects of the outdoor recreation and hunting and fishing programs in accordance with the provisions of AR 215-1 to the Director, Family and Morale, Welfare and Recreation (DFMWR). The Chief, Recreation Division, DFMWR is the appeal authority for confiscated and/or revoked permits. The Director, DFMWR has further delegated authorities as follows:

(1) The hunting and fishing program is administered through Outdoor Recreation of the Recreation Division (RD). The Manager, Outdoor Recreation serves as the approving official for all requests by hunters with disabilities for special hunting considerations.

(2) Outdoor Recreation will perform the administrative functions necessary to assign hunters, fishermen, and other outdoor recreation participants to the Rear Area of Fort Campbell. The Outdoor Recreation Manager is responsible for coordinating the recreational aspects of the Rear Area. The Manager is authorized by the Garrison Commander to suspend and/or revoke hunting and fishing and Outdoor Recreation permits for violations of the policies and/or procedures prescribed in this circular. The Manager may be contacted at (270) 798-2175.

c. The Garrison Commander has delegated the authority to plan, coordinate, and implement fish and wildlife management in accordance with AR 200-1 and the Integrated Natural Resources Management Plan to the Director of Public Works. The Director of Public Works has further delegated the responsibility for fish and wildlife management to the Conservation Branch. The Fish and Wildlife Program Coordinator may be contacted at (270)798-9854.

d. The Garrison Commander has delegated authority to the Provost Marshal as the Chief of the Game Wardens for enforcement of hunting and fishing laws and regulations, and for military, federal, state and local police support in the Rear Area of Fort Campbell. Game Wardens/Law Enforcement personnel may be contacted at (931) 472-8730 (Lead Officer).

e. The Garrison Commander has delegated authority to DPTMS, Range Division Chief, to release training areas for outdoor recreational use.

1-5. Eligibility

Pursuant to the Sikes Act (16 USC 670a-f), the Commanding General has authorized members of the general public limited access to the Fort Campbell Military Reservation for the purposes of outdoor recreation activities, to include hunting and fishing under the terms of the Integrated Natural Resources Management Plan. Authorized patrons are set forth in AR 215-1.

1-6. Outdoor Recreation Activities

a. Before engaging in any activity *not* listed below, please contact the Manager, Outdoor Recreation for guidance concerning the permissibility of the activity on Fort Campbell, and the need for a recreational permit and/or area assignment. The following are considered outdoor recreation activities on Fort Campbell: hunting, fishing, boating, scouting, dog training, field trials, horseback riding, and camping, archery, and hiking, mountain biking, picnicking, and dog walking.

b. The primary use of the land on Fort Campbell is for military training and other military related activities. Outdoor recreation opportunities may become available only after military training requirements are met. There is no guarantee that areas will be available for any outdoor recreation activity.

1-7. Outdoor Recreation Permits

a. Fort Campbell Outdoor Recreation permits are required for hunting, fishing, boating, scouting, dog training, field trials, horseback riding, camping, archery, hiking, mountain biking, picnicking, and dog walking. Although persons visiting family cemeteries located in the Rear Area are not required to have an Outdoor Recreation permit, for safety purposes they are requested to clear the visit with Outdoor Recreation. Permit fees and categories are listed in Appendix A.

b. Proof of a valid Tennessee or Kentucky fishing and/or hunting license is required prior to the issuance of Fort Campbell Hunting and/or Fishing permit. Patrons must have appropriate state tags and permits prior to hunting and/or fishing.

c. Proof of successful completion of an approved state hunter safety course is mandatory before individuals participate in hunting activities on Army land.

d. Annual Fort Campbell outdoor recreation, fishing, and hunting and fishing permits are valid from 1 March through the last day of February the following year, and may be purchased through Outdoor Recreation, building 6645.

e. Daily recreation, fishing and archery permits are available for purchase in person at Outdoor Recreation.

f. Active Duty Hunters who have become disabled and are remaining active duty have access to an active duty disabled hunting permit. This permit will allow them access to handicap hunting areas and use of hunting companions.

g. Free Fort Campbell outdoor recreation and hunting and fishing permits are issued to:

(1) Tennessee and Kentucky residents 65 years of age or older (Proof of age is required).

(2) Disabled Veterans who possess a valid Disabled Veteran hunting license from the state of Kentucky or Tennessee.* **NOTE: Veterans who are determined to be disabled by the Veteran's Administration but who do not qualify for the Kentucky or Tennessee state Disabled Veteran hunting license will receive a Disabled Veteran permit, however they will be charged for the permit.**

(3) Family members 15 years of age or younger participating in hunting activities. Free permit holder must have completed a Hunter's Safety Course and also must possess appropriate state license and/or tags if required by their state of residence.

1-8. License, Stamp, Tag and Weapon Requirements for Hunting and Fishing

In addition to the appropriate Fort Campbell hunting and fishing permits, individuals engaging in hunting or fishing activities must have in their possession either a valid hunting and/or fishing license issued by the State of Tennessee or by the State of Kentucky, which includes the appropriate big game kill tag, migratory bird permit, waterfowl permit, or trout license, etc. for the species being pursued, and for hunting, an approved State Hunter's Safety Course. Active Duty Military on leave carrying leave papers are not required to purchase a license to hunt or fish on Fort Campbell. However, a Fort Campbell Post Permit, Area Assignment, an approved State Hunter's Safety Course, and leave paperwork must be in their possession. All firearms must be registered on the installation. A criminal background check will be conducted on the person registering the weapon. The State of Kentucky requires different licenses based on the species being hunted. The State of Tennessee requires different licenses based on the type of weapon with which you will be hunting, i.e. muzzleloader, shotgun and archery. It is the hunter's responsibility to ensure they have the appropriate license for their hunting trip.

1-9. Assignment of Recreational Areas

a. Recreation areas may be assigned telephonically through the Outdoor Recreation automated assignment system for all Small Game hunting. All Big Game hunting areas may be assigned either telephonically or through the Webtrac system online. In order to utilize either computer area assignment system you must have a valid Fort Campbell post permit. Area Assignment must be obtained at Outdoor Recreation.

(1) Menu options lead the patron through the reservation process. Participants will be asked to select the desired hunting activity (e.g. hunting-bow, hunting-shotgun, etc.), training area and day of activity.

*** NOTE: PATRONS MAY SIGN INTO ONLY 1 ACTIVITY AT A TIME IN THE AUTOMATED SYSTEM, I.E., HUNTING-BOW OR HUNTING-SHOTGUN. WHEN RESERVING HUNTING SLOTS, PATRONS ARE ALLOWED ONE HUNTING AREA PER DAY.***

(2) The following defines unauthorized use of a permit or the automated system.

(a) Allowing the use of one's permit for another hunter's personal gain.

(b) Entering permit numbers or any other number into the system and returning to the main menu to hold the line until authorized call in time.

(c) Entering any non-outdoor recreation permit number or any other number to gain access to the system.

(d) Allowing another person to use your security pin number. (Individuals are responsible for keeping their pin number secure at all times.)

(e) Use of a permit with priority to gain an advantage over other hunters:

Example 1: Hunter A uses hunter B's permit number to register Hunter B into an area. Prior to the hunt, hunter A withdraws hunter B and registers himself into that area.

Example 2: An individual allowing a person outside of their permit group to reserve hunting area for him/her, later removing them to place themselves into that area.

If you remove a person from the system and put yourself into that slot more than 2 times, you will be subject to the unauthorized use suspension.

(3) Small game hunters are allowed to utilize the telephone automated system as a hunting party consisting of 1 to 4 hunters. Small game slots are entered into the system as a hunting party requiring only 1 hunter in each hunting party to sign into the system to reserve the area. The hunter making the reservation in the automated system will be responsible for picking up the area assignment from Outdoor Recreation. The remaining hunters in the party will be added to the area assignment upon verification of valid post permit. The hunter responsible for making the reservation must remain with the hunting party at all times. No member of the hunting party may reserve an additional area until all members of the current hunting party have concluded the existing hunt the party is assigned to.

(4) A list of available training areas, codes and telephone numbers applicable to the process are available at Outdoor Recreation as well as on the MWR website at www.campbell.armymwr.com.

(a) Assistance with the automated system is available at Outdoor Recreation. Patrons must have a valid

Fort Campbell post permit before assignments may be made.

(b) Hunters are allowed a maximum of three reservations at any given time. Additionally, a hunter may only have one reservation per day. When going as a caller for turkey hunting, this counts as one hunting reservation of three possible reservations.

(c) The following starting times must be observed when requesting big game and small game hunting area reservations thru the automated system:

0815- Active duty military, and their dependents with valid military ID

0900 - Disabled American veterans and their dependents 9-17 years of age

0930- Retired military, Army Reserve/National Guard and their dependents with valid military ID. Department of the Army civilians and their dependents 9-17 years of age.

1030 - Civilians

(d) ***NOTE: Recreational Area Assignments must be obtained at Outdoor Recreation.** The area assignment is a requirement for access to the Rear Area for any person desiring to participate in any outdoor recreation activity, and is valid only for the date, area, and activity specified on the form. Area assignments are not transferable - they are to be used only by the person whose name appears on the area assignment.

(e) Area assignment pick-up:

(1) Hunting area assignments are available for pick-up beginning two days prior to the activity upon successful completion of signing into a recreation activity area. Area assignments to hunt same day are available for pick up until sunset. Must present valid recreation permit card or temporary card to receive area assignment.

(2) Area assignments for activities other than hunting are available for pick-up beginning two days prior to the activity until close of business each day.

(f) Turn in of area assignments:

(1) Hunting area assignments. Patrons are no longer required to return the area assignment to Outdoor Recreation. However, patrons are responsible for ensuring that they have either signed out telephonically or through Webtrac following their recreational activities NLT 2100 hrs. each day. Failure to do so may result in a suspension of permit privileges.

(2) All other (non-hunting) area assignments-Patrons are no longer required to return the area assignment to Outdoor Recreation.

(g) Reporting game harvest:

(1) All deer and turkey harvested during Fall Season must be checked in at Outdoor Recreation NLT 2000 hrs. or 90 minutes after sunset, whichever is later. Turkey harvested in Spring Season must be checked in NLT 2000 hrs.

(2) All small game animals harvested must be reported to Outdoor Recreation within 3 days of the activity to include zero harvest. In addition to the harvest report, a wing from each harvested quail must be turned in and a completed quail survey envelope, no later than the day following the hunt. All small game hunters other than quail may report harvest telephonically directly to Outdoor Recreation, harvested bobcats must be checked in at Outdoor Recreation.

1-10. Vehicle Control in the Fort Campbell Rear Area

The following rules must be observed while using privately owned vehicles (POV) and participating in outdoor recreation activities in Fort Campbell's Rear Area:

a. All vehicles must be driven by the most direct, authorized route to and from Outdoor Recreation. Vehicles must not exit post with unchecked game.

b. POV operation in the Rear Area is restricted to authorized marked named roads. (see Appendix D for list of unauthorized roads). Driving on unnamed gravel or bare dirt roads is prohibited. Driving, or attempting to drive into any impact area or off-limits area for any purpose is strictly prohibited.

c. POVs will be parked on Fort Campbell property, in the area designated on the area assignment and within 30 feet of an authorized named roadway either paved or graveled. Even if you live on, or have a friend's permission to use, property adjacent to Fort Campbell, it is a violation to carry any harvested animal off the installation without it being properly tagged and checked in at Outdoor Recreation.

d. Area assignment for each person riding in or driving a POV in the Rear Area for outdoor recreation purposes will be clearly displayed in the front window of the vehicle so as to be easily readable from outside the vehicle.

e. Recreation activities in the Rear Area utilizing off-road vehicles such as 4x4 trucks and jeeps, 4 and 3 wheeled ATVs, go-carts, and motorcycles of all types is prohibited. Exceptions are ATVs and outdoor power chairs used to transport handicapped hunters directly to and from their hunting location with written permission from the Manager, Outdoor Recreation and hunters utilizing an ATV to retrieve a harvested deer from the closest firebreak or dirt road to their hunting location.

1-11. Enforcement

Game Wardens/Law Enforcement personnel are authorized to enforce Federal, State, and local game laws, and Army and installation regulations, issue military police reports and U.S. District Court violation notices, and make arrests or apprehensions in accordance with Army regulations and procedures established by the States of Tennessee and Kentucky, and the U.S. Fish and Wildlife Service.

1-12. Violations

Violators of Federal and State game and natural resource laws are subject to prosecution before the U.S. Magistrate. Violators subject to the Uniform Code of Military Justice are also subject to prosecution under that Code for violation of this regulation. Actions taken by the magistrate or commanders under the Uniform Code of Military Justice will be in addition to the administrative suspension or revocation of outdoor recreation privileges. A partial list of violations is posted at Outdoor Recreation. Penalties are listed in Appendix C. Administrative suspensions or revocation of outdoor recreation privileges may be appealed to the Chief, Recreation Division, DFMWR. Appeals must be in writing and contain reasons for the appeal.

1-13. Conduct While Using Outdoor Recreation Facilities

Every effort is made to provide for quality outdoor recreation experiences on Fort Campbell therefore the following are strictly prohibited and will result in immediate suspension of post permit privileges:

a. The use of any alcoholic beverage or illegal drugs while using Game Check Station or Rear Area of Fort Campbell, while hunting or handling any weapon, or operating any motor vehicle or motorized boat.

b. The disruption of operations at Outdoor Recreation and game check station, or the interference with any other individual using these facilities.

c. The intentional interference with the lawful taking of wildlife resources or to drive, harass, or intentionally disturb any wildlife resources for the purpose of disrupting the lawful taking of these resources.

Chapter 2 Hunting

2-1. Fort Campbell Hunting Seasons and Bag Limits

Fort Campbell hunting seasons and bag limits are listed in Appendix B. **All seasons are subject to change and availability.**

2-2. Days Open for Hunting and Scouting

Depending on area availability, Fort Campbell is open to hunting during published seasons from Thursday through Monday. There will be no hunting on Tuesday and Wednesday. All outdoor recreation activities will cease at 1200 on Christmas Eve and New Year's Eve, and there will be no outdoor recreation activities on Thanksgiving Day, Christmas Day and New Year's Day. Fort Campbell is open for scouting provided areas are available, except on hunting days during deer season and spring turkey season. Patrons wishing to scout in an area open for small game hunting must wear the required hunter orange for small game (cap or panel vest) and must possess a small game permit or combination permit.

2-3. General Hunting Regulations

a. No person shall take any animal or bird on the installation except as authorized by State and Federal laws and Army and installation regulations.

b. Trapping of any animal or bird, or taking of any non-game animal or bird species and/or their nest and eggs is prohibited.

c. A reasonable effort will be made to locate and retrieve wounded animals. Upon finding the animal, the hunter must immediately dispatch the animal in the quickest, most humane way possible.

d. Hunting with all weapons is prohibited from 30 minutes after official sunset until 30 minutes before official sunrise, with the exception of rim fire rifles and shotguns .410 bore through 20 gauges which may be used after dark for the taking of raccoon. All hunters are permitted to enter their hunting areas beginning 90 minutes before official sunrise.

e. Manner of taking.

(1) Game animals may be taken with shotgun, muzzle loading rifle, rim fire rifles, crossbow or bow and arrow. All deer and turkey harvested during Fall Season must be checked in at Outdoor Recreation NLT 2000 hrs. or 90 minutes after sunset, whichever is later. Turkey harvested in Spring Season must be checked in NLT 2000 hrs. In the event a hunter is trailing a wounded animal toward the end of hunting hours, tracking must cease should the animal not be located in time to be checked in at the Outdoor Recreation check station NLT 2000 hrs. Hunters will be allowed back in area to pursue wounded animals the following morning when the Training Area has been released for hunting or hiking. Hunters must check with Outdoor Recreation before entering area.

(2) It is unlawful to use artificial lights, motor vehicles (to include off-road vehicles such as 4x4 trucks and jeeps, 4 and 3 wheeled cross-country vehicles, and motor cycles of all types), motorboats, (except as immobilized hunting stands), or airplanes in taking any wild animals or birds, or to use bait in taking game animals. It is unlawful to take swimming deer. Migratory game birds may be taken only during the hours and in the manner permitted by Federal regulations (see Para 2-Sa. for general guidelines for migratory bird hunting).

(3) All big game bagged by hunters will be tagged with a temporary tag provided on the area assignment prior to moving game to vehicle and transporting the game to Outdoor Recreation check station located adjacent to Outdoor Recreation. All deer, turkey, feral hogs and bobcat must be tagged with a special Fort Campbell Permanent Game Tag prior to their removal from the installation. Installation wildlife biologists and/or Outdoor Recreation personnel will collect necessary harvest and biological information, and prepare the Permanent Game Tag at the Check Station.

f. It is unlawful to enter any restricted area on Fort Campbell. **ALL IMPACT AREAS ARE OFF LIMITS.** Entry into or removal of any item from the impact areas is a violation of Federal law.

g. It is unlawful to hunt or discharge any weapon from a vehicle, hunt or discharge any weapon within 100 feet of centerline of a named road, or hunt or discharge any weapon within 300 feet of a building, camping area, or military training. Weapons may be discharged from firebreaks so long as doing so does not violate any of the above restrictions.

h. It is unlawful to obscure the sex or age of any bird or animal by mutilation of the carcass.

i. It is unlawful to use or possess any electronic or recorded calling device for taking wildlife. Exception will be use of electronic call during daylight hours for coyote or bobcat hunting in an area open for hunting coyote only.

j. It is unauthorized to erect any tree stand or platform attached by nails, screws, bolts or wire to a tree on the installation for the purpose of hunting. This rule does not apply to portable stands that are removed after use leaving no metal in or attached to the tree. Authorized tree stands will not be left in hunting areas overnight.

k. Every game animal wounded by hunting and reduced to possession by the hunter will be killed immediately, and become part of the hunter's daily bag. No person will, at any time, or by any means, possess or transport live game animals taken under the authority of this regulation.

l. Hunters may utilize an ATV to retrieve a harvested deer from the closest firebreak or dirt road to their hunting location. No POVs are authorized on unmarked or marked firebreaks or dirt roads.

m. No person will use or direct the rays of any spotlight, or other artificial light, or automotive headlights for the purpose of spotting, locating, or taking any animal. Exceptions are made for frog and raccoon hunting at night.

n. Hunters may ride horses while squirrel, quail and rabbit hunting. Hunters must dismount prior to discharging any weapon. Please refer to section 4-2 for requirements to ride horses on Fort Campbell.

o. All hunters 17 years of age or younger must be accompanied by an adult hunting sponsor 21 years of age or older. The minimum age for children hunting accompanied by an adult is 9 years old. The young hunter must be under the immediate control (within arm's length) of the sponsor at all times and the adult to child ratio must always be 1 to 1. The adult sponsor or non-hunting companion will not be able to hunt unless occupying a hunting slot, however, the companion must have taken an approved hunter safety course and possess all necessary hunting licenses and permits. The only exception will be for organized events set up by Outdoor Recreation in designated areas.

p. All non-hunting participants or companions will be counted as hunters and must have taken an approved hunter safety course and possess all necessary hunting licenses and permits.

q. Target shooting in the Rear Area is not authorized.

r. Hunting is prohibited on Archery Range and around Lake Kyle (with the exception of waterfowl hunting).

s. Use of decoys for turkey and waterfowl hunting is authorized. Also, predator decoys may be used in coyote hunting areas, where only coyote are being hunted.

t. It is the responsibility of every hunter to know where they are currently located and they must stay within the boundary areas they are assigned to. The area the hunter is assigned to be listed on the area assignment they receive from the Outdoor Recreation Main Office. The area listed on the area assignment is the only location the participant is authorized to be.

2-4. Big Game Hunting Regulations

All persons participating in outdoor recreation activities on Fort Campbell will comply with State and Federal fish, game, and natural resources laws, and all Army and Fort Campbell regulations, and will cooperate fully with representatives of law enforcement agencies.

a. **Deer and Turkey:** Big Game Animals harvested on Fort Campbell are not counted against Tennessee or Kentucky season bag limits. However, the appropriate Tennessee or Kentucky big game license and/or kill tags must be in the hunter's possession while hunting deer or turkey on the installation. Hunters should not use their State temporary big game tags to tag deer or turkey harvested on Fort Campbell. A temporary game tag used to transport the game from the hunting area to Outdoor Recreation check station will be provided on the area assignment. The game will then be tagged with a permanent Fort Campbell game tag once harvest data has been collected.

b. **Deer Hunting: "Earn – a – Buck" has been suspended for the 2016 Deer Season. Hunters are not required to harvest a doe prior to harvesting a legal antlered buck. We do encourage hunters to harvest does to prevent the reimplementation of this program in future seasons. A legal antlered deer is defined as having 4 points on one antler OR an outside spread of 15 inches. A point must be at least 1" long to count towards the 4 points on one side. (This restriction will not apply to those deer taken by Youth participating in Youth Hunt Weekend.)**

(1) Bows and arrows, crossbows, shotguns, and muzzle loading rifles are authorized for deer hunting throughout the entire deer hunting season. Authorized weapons and ammunition for deer hunting are:

(a) Any shotgun 20, 16, 12, or 10 gauge using ammunition loaded with a single solid ball, rifled or sabot slug. No magazine plug required.

(b) Any muzzle loading percussion cap or flintlock rifle .40 caliber or larger firing a single round ball, mini ball, maxi ball, or sabot slug. In-line muzzleloaders and scopes are authorized. Muzzle loading, and shotguns, using number 4 shot or smaller maybe used for taking Turkey.

(c) Bows and crossbows will be limited to Archery Only areas. Any compound, recurve, or long bow with a rated pull of not less than 45 pounds using arrows or bolts having nonpoisonous, non-explosive, and non-barbed broad-heads not less than 7/8 inches wide. Any crossbow having a draw weight of no less than 100 pounds and no more than 200 pounds using bolts having nonpoisonous, non-explosive, non-retractable and non-barbed broad-heads and not less than 7/8 inches wide. Crossbows must have a working safety device. Crossbow bolts or arrows must be a minimum of 16" in length and cannot be treated with any type of chemical or carry any type of chemical pod attachment. Crossbows may be equipped with a red dot sight or reticle scope, as long as it does not emit any light towards the target (i.e. laser scopes are illegal).

(2) Deer driving and stalking deer in hunter groups is prohibited. Stand and individual still hunting are the only authorized deer hunting techniques.

(3) Harvested deer must be tagged with temporary game tag prior to moving game to vehicle and transported by the most direct route to Outdoor Recreation check station NLT 2000 hrs. or 90 minutes after sunset whichever is later, with the Fort Campbell temporary game tag attached, where the necessary data will be collected, and the mandatory Permanent Game Tag will be completed and issued. All deer harvested by hunters must be field dressed prior to transport to the Outdoor Recreation check station. No field dressing may take place within 50 ft. of any roadway.

(4) While using a portable blind for deer hunting must ensure the blind is marked with fluorescent hunter orange visible around the entire blind.

(5) Deer decoys are prohibited due to safety concerns.

c. Turkey Hunting:

(1) Pre-season turkey scouting is permitted when areas are available. Locator calls (such as owl and crow calls) are authorized during pre-season spring turkey scouting. Any call that imitates or produces the sounds of turkeys is not authorized during pre-season spring turkey scouting.

(2) Harvested turkeys must be tagged with temporary game tag prior to moving game to vehicle and transported by the most direct route to Outdoor Recreation check station. During Fall Turkey Season, turkeys must be checked in NLT 2000 hrs. or 90 minutes after sunset, whichever is later. During Spring Turkey Season, turkeys must be checked in NLT 2000 hrs. In all cases the turkey must be checked in with the Fort Campbell temporary game tag. The necessary data will be collected and the mandatory Permanent Game Tag will be completed and issued.

(3) White turkeys may be taken during any authorized hunt with the legal weapon for that hunt.

(4) Non-bearded turkeys may be harvested by bow hunters on any authorized archery only deer hunt. No bearded turkeys are authorized for take during deer hunts.

(5) Authorized weapons and ammunition for turkey hunting are:

(a) Any shotguns 20, 16, 12, or 10 gauge using number 4 or smaller shot.

(b) Muzzle loading shotguns using number 4 or smaller shot.

(c) Bows and crossbows will be limited to Archery Only areas. Any compound, recurve, or long bow with a rated pull of not less than 45 pounds using arrows having nonpoisonous, non-explosive, and non-barbed broad-heads and not less than 7/8 inches wide. Any crossbow having a draw weight of no less than 100 pounds and no more than 200 pounds using bolts having nonpoisonous, non-explosive, non-retractable and non-barbed broad-heads and not less than 7/8 inches wide. Crossbows must have a working safety device. Crossbow bolts or arrows must be a minimum of 16" in length and cannot be treated with any type of chemical or carry any type of chemical pod attachment. Crossbows may be equipped with a red dot sight or reticle scope, as long as it does not emit any light towards the target (i.e. laser scopes are illegal).

(d) Use of hunting dogs is authorized for fall turkey seasons only.

(e) Use of electronic turkey decoys is prohibited.

(6) Turkey hunters may hunt in parties of 3 during Fall Turkey II. Hunters must sign into an area individually during Fall Turkey I. The hunter making the reservation in the automated system will be responsible for picking up the area assignment from Outdoor Recreation. The remaining hunters in the party will be added to the area assignment upon verification of valid post permit. The hunter responsible for making the reservation must remain with the hunting party at all times. No member of the hunting party may reserve an additional area until all members of the current hunting party have concluded the existing hunt the party is assigned to.

2-5. Small Game Hunting Regulations

Small game hunting includes: Migratory Birds, Quail, Rabbit, Coyote, Bobcat, Raccoon and Squirrel. Harvest of quail outside of an area designated for quail hunting is prohibited.

Migratory Bird Hunting

a. The material below is only a summary. Each hunter should also consult the actual Federal regulations, which may be found in title 50, Code of Federal Regulation, Part 20, and the Tennessee or Kentucky state migratory bird regulations. Migratory game birds shall not be taken:

(1) With a shotgun capable of holding more than 3 shells unless it is plugged with one-piece filler which is

incapable of removal without disassembling the shotgun.

(2) From, or by means, aid, or use of any motor vehicle or motor driven land conveyance.

(3) While possessing shot other than nontoxic tungsten, tungsten-iron or bismuth shot, steel shot, or shot approved as nontoxic by Federal law with the exception of dove hunting.

b. Wanton waste. All migratory game birds harvested or crippled shall be retrieved, if possible, and retained in the possession of the hunter who harvested them.

c. Possession of live birds. Wounded birds reduced to possession shall be immediately killed and included in the daily bag.

d. Field possession limit. No person shall possess more than one daily bag limit of migratory game birds, tagged or not tagged, while in the field or while returning from the field to one's vehicle, home, etc.

e. Tagging. No person shall give, put, or leave any migratory game birds at any place, or in the custody of

another person unless the birds are tagged by the taking hunter with the following information:

(1) The taking hunter's signature and address.

(2) The total number of birds involved by species.

(3) The dates such birds were killed.

f. No person or business shall receive, transport, or have in custody any migratory game birds belonging to another person unless such birds are properly tagged.

g. Field dressing. When hunting migratory game birds (except doves and band tailed pigeons) the head or one fully feathered wing must remain attached to all harvested birds being transported from the field.

h. Shooting hours. Shooting hours waterfowl species (waterfowl includes: all ducks, coots, mergansers, geese, brants, and swans) and webless migratory species (doves, woodcock and Wilson or common snipe) are from one-half hour before sunrise until sunset. Exception is Lake Kyle where hunting will end at 1200.

i. Waterfowl. If using a motorboat as a blind, the boat must be immobilized and anchored.

j. Waterfowl hunters may operate POVs in BP 19 through gravel unnamed road to parking area.

Other Small Game

k. Quail. Quail hunters are required to clip a fully feathered wing from each quail they harvest, place the wings in a Quail Wing Survey Envelope, and turn the envelope in to Outdoor Recreation check station. Quail Wing Survey Envelopes may be obtained at Outdoor Recreation prior to or following the quail hunt. Failure to turn in a quail survey envelope no later than the day following the hunt may result in suspension.

l. Rabbit and Squirrel. When the rabbit and squirrel seasons overlap, either may be taken on any other authorized small game hunt using the legal weapon for that hunt.

m. Coyote. Coyote may be taken during any authorized small game or big game hunt except raccoon using the legal weapon for that hunt. The hunter must be in possession of either a small game hunting permit or a combination permit. Coyote may not be hunted at night.

n. Bobcat. All bobcats harvested must be tagged with a Fort Campbell Big Game tag.

o. Raccoon. Raccoon hunters may receive up to 3 areas for hunting and all 3 areas must be adjoining. Raccoons must be killed immediately upon taking.

p. Authorized weapons and ammunition for small game hunting are:

(1) Any rim fire rifle or shotgun .410 bore through 10 gauge using number 4 or smaller size shot, except for waterfowl hunting when nontoxic (steel, tungsten, tungsten-iron or bismuth) shot of size T or smaller must be used, raccoon where 20 gauge is the largest ammunition authorized and coyote, where 00 Buck is authorized. For all small game, migratory bird, and waterfowl hunting, shotguns capable holding more than 3 shells must be plugged with a one piece filler plug inserted inside the magazine in such a way that the plug may not be removed without disassembly of the shotgun.

(2) Exception is while coyote or bobcat hunting in a training area reserved specifically for coyote hunting only, hunter may use up to size 00 Buck shot for coyote or bobcat.

(3) Bows and arrows as described in paragraph 2-4 b (1) (c), excluding crossbows, to include blunt type arrows and field points.

q. All small game harvested on Fort Campbell must be reported to Outdoor Recreation within 3 days of harvest either by phone or in person. The exceptions are quail and bobcat. Quail requires a completed quail survey envelope to be presented in person at Outdoor Recreation, no later than the day following the hunt. Bobcat must be checked in at Outdoor Recreation.

r. Hunting dogs are authorized and encouraged for use in the pursuit of small game, except when coyote or bobcat hunting. Hunters must control all dogs used for hunting.

s. Hunters utilizing hunting areas adjacent to any impact area or off-limits area should consider a dog lost should the dog enter the impact area and not return on its own.

t. Beavers may not be hunted on Fort Campbell.

2-6. Unauthorized Weapons and Ammunition

Unauthorized weapons and ammunition for hunting or in possession while hunting are:

a. Any shot shells with shot larger than number 4, except when waterfowl hunting when nontoxic (steel, tungsten, tungsten-iron or bismuth) shot up to shot size T may be used. Buckshot is not authorized, except for coyote or bobcat in coyote-only areas, when nothing larger than 00 Buck may be used.

b. Lead shotgun shells while waterfowl hunting.

c. Full metal jacket (military type) or nonexpanding bullets of any type.

d. Any center fire rifle.

e. Pistols and/or revolvers.

f. Fully automatic weapons.

g. Any weapon or ammunition not authorized for hunting the species being pursued.

h. Muzzleloaders using an electronic ignition are prohibited.

i. Muzzle loading shotguns are not authorized for deer hunting.

j. Crossbows with a draw weight exceeding 200 pounds.

j. Any CO2, high power pellet or BB guns.

k. **CARRY PERMITS OR CONCEALED CARRY PERMITS OF ANY STATE ARE NOT AUTHORIZED ON FORT CAMPBELL AT ANY TIME.**

2-7. Handicapped Hunting Regulations

a. Training areas 08AHC, 12HC, and 16HC are for hunters with disabilities, including hunters who use wheelchairs and or any hunters requiring the use of a prosthetic limb in order to participate in hunting. This applies for deer and turkey hunting in these areas only. Other designated handicapped areas are reserved for use by mechanically aided hunters and/or hunters with disabilities. Hunters with disabilities in 08AHC and their companions must remain together and must hunt from one of the blinds provided in the area.

b. Hunters using an All-Terrain Vehicle (ATV) or outdoor power chair as an aid to hunt must possess a valid handicap parking placard (or handicapped license plate) issued by the hunter's state of residence. When utilizing an ATV or outdoor power chair in a hunting area, the placard must be hung from the mirror of the vehicle in the same manner required when parking in a handicap parking area. This will indicate to Game Wardens and Law Enforcement Officers that the hunter assigned to the training area needs mobility assistance and is authorized the use of an ATV or outdoor power chair. Hunters with disabilities desiring to hunt with an ATV or outdoor power chair must obtain written authorization to do so on Fort Campbell from Outdoor Recreation.

c. Authorized all-terrain vehicles may be used to transport hunters with disabilities directly to and from their hunting locations. Companions or other hunters are not authorized to ride on all-terrain vehicles. All game must be taken while the hunter is off of the vehicle, with the exception of individuals utilizing wheelchairs who may discharge their weapon while the vehicle is stationary. All weapons will be encased and unloaded while the all-terrain vehicle is in operation.

d. All hunters with disabilities are encouraged to have a companion with them while hunting. Hunters with disabilities may request one hunting companion, regardless of companion's status, be assigned to accompany them on each hunt.

(1) When the hunter is assigned to a handicap hunting area (08AHC, 12HC or 16HC) the companion is not required to call into the automated system or sign in through Webtrac and Outdoor Recreation personnel will add the companion to the area assignment as a hunter. The companion must have taken an approved hunter safety course and possess all necessary hunting licenses and permits.

(2) When the hunter is assigned to a non-handicap area and the companion wishes to hunt, the companion is then required to call into the automated system or sign in through Webtrac at their authorized time to reserve their own hunting slot. Each hunter would then pick up individual area assignments for the hunt.

(3) When the hunter is assigned to a non-handicap area and the companion cannot reserve a slot because the area is full, the companion can be added to the hunter's assignment as a non-hunter. The companion will not be able to hunt, however, the companion must have taken an approved hunter safety course and possess all necessary hunting licenses and permits.

2-8. Youth Hunts

a. Special youth only deer and turkey hunts are held on Fort Campbell for hunters 9-17 years of age. During these hunts specified training areas will be assigned.

b. Adult sponsors, 21 years of age or older, will accompany the youth hunters during the hunt, and must remain close enough, within arm's length, to the youth hunter to take immediate control of the juvenile's weapon. Sponsors will not carry a weapon of their own for any purpose.

c. Authorized weapons for youth hunts are shotguns, muzzle loading rifles, bows and crossbows.

2-9. Hunting Safety Regulations

a. All firearms must remain on "safe" until ready to fire.

b. While deer hunting in any area open for hunting with a firearm, all hunters and persons sponsoring youth or hunters with disabilities are required to wear a cap and vest or panel of daylight fluorescent orange (blaze orange). The vest or panel must be at least 500 total square inches. Camouflage vests having any other color than blaze orange must indicate that the total blaze orange color is 500 square inches. Camouflage cap must be blaze orange in color over 75% or more of the entire cap. Caps having more camouflage than blaze orange cannot be worn while hunting on Fort Campbell. Small game hunters are required to wear a hunter orange hat or vest. The only exceptions are dove hunters, waterfowl hunters, turkey hunters, varmint hunters and archery hunters hunting in archery only areas. These small game hunters are encouraged to wear the required blaze orange while walking to their hunting location and while exiting their hunting location.

c. Bows and Arrows and Crossbows are only authorized in Archery Only areas.

d. All firearms to include bow and arrows transported in a vehicle must be unloaded and encased. Muzzleloaders must have the firing cap or pan powder removed. Crossbows must be uncocked with the bolt removed from the platform.

e. Target practice and/or randomly firing a weapon within any area, whether or not in possession of a hunting area assignment is prohibited.

f. Patrons carrying, possessing, or discharging firearms, fireworks, or explosives onto the installation are prohibited except as authorized.

g. Minors under the age of 18 will be under the immediate control of their parent or other responsible adult 21 years of age or older at all times.

h. All persons hunting on Fort Campbell are expected to demonstrate sound judgment, and observe the rules of firearms and weapon safety and sportsmanship at all times.

i. All persons are subject to CAM Regulation 190-1, Fort Campbell Physical Security Program, Chapter 9 and AR190-11 for registration of firearms on Fort Campbell.

j. All hunters are required to use a safety harness when utilizing a tree stand.

k. When hunting from a tree stand with a crossbow, crossbows should be cocked before entering the stand, but not loaded until the hunter is in the stand, secured by a safety harness.

Appendix B
Fort Campbell Hunting Seasons and Bag Limits 2016-2017

2016 WHITE-TAILED DEER SEASONS

Regular Deer Season (Archery, Shotgun, and Muzzleloader): 17 September through 31 December 2016. Crossbows are permitted on archery hunts only. Daily bag limit is 3 deer (season limit of 1 legal antlered deer – see regulations on legal antlered deer) and unlimited doe. Antler restrictions do not apply to youth participating in youth hunt weekend. The harvest of spotted fawns is prohibited.

“Earn-a-Buck” has been suspended for the 2016 Deer Season. Hunters are not required to harvest a doe prior to harvesting a legal antlered deer. We do encourage hunters to harvest does to prevent the reimplementation of this program in future seasons.

Definition of legal antlered deer for 2016

A legal antlered deer is defined as having 4 points on one antler OR an outside spread of 15 inches. A point must be at least 1" long to count towards the 4 points on one side.

A buck with less than a 15 inch outside spread can be harvested IF that buck has at least 4 points on one antler.

A buck with less than 4 points on both antlers can be harvested IF that buck has an outside spread of at least 15 inches.

A 15 inch outside spread will extend just outside each ear (see photo description below).

Harvest of any illegal buck will result in a 2 year suspension of all hunting privileges on Fort Campbell.

2016-2017 WILD TURKEY SEASONS

Non-bearded turkeys may be harvested by bow hunters on any authorized archery only deer hunts. No bearded turkeys are authorized for take during deer hunts.

FALL 2016 TURKEY SEASONS:

Fall Turkey I (Archery only; Crossbows are permitted):

17 September through 7 October 2016.

Fall Turkey II (Archery and Shotgun; Crossbows are permitted):

8 October through 31 December 2016.

Combined season limits for Fall Turkey I and II is 10 non-bearded turkeys and 1 bearded turkey.

There is no daily bag limit for non-bearded turkeys during each season as long as season limit of 10 is followed.

Hunters may hunt in parties of 3 during Fall Turkey II using the same check-in system used by small game and quail hunters.

Hunters must sign into an area individually during Fall Turkey I.

SPRING 2017 TURKEY SEASON:

Spring Turkey (Archery and Shotgun; Crossbows are permitted):

25 March through 14 May 2017. Daily bag limit is 1 bearded turkey. Season limit is 4. Bearded is defined as having a visible beard.

2016-2017 FERAL HOG REGULATIONS

ACTIVELY HUNTING, STALKING, FOLLOWING OR OTHERWISE PURSUING FERAL HOGS IS ILLEGAL ON FORT CAMPBELL. PLEASE REPORT ALL FERAL HOG SIGHTINGS TO FORT CAMPBELL FISH AND WILDLIFE: (270) 798-9854. HOWEVER, WHILE HUNTING DEER OR COYOTE, HUNTERS ARE ALLOWED TO HARVEST FERAL HOGS. ANY FERAL HOGS HARVESTED BY DEER OR COYOTE HUNTERS MUST BE CHECKED IN AT OUTDOOR RECREATION.

2016-2017 SMALL GAME SEASONS
