

A stylized, colorful illustration of a landscape. The foreground features rolling green hills with a dark brown path winding through them. On the left, there are two trees: one with green foliage and one with purple foliage. A small red bird is flying in the sky above the trees. The background consists of light blue and white wavy lines representing a sky or water.

# **PHILOSOPHY**

**Christian County Public Schools  
believe that preschool is an  
extremely important time in the  
life of a young child.**

**...first  
friendships are  
established.**

**...independence  
is acquired.**

A stylized landscape illustration featuring rolling green hills in the foreground, a blue sky with light blue wavy bands, and a purple and pink flower-like shape on the left. The text is positioned on the right side of the image.

Christian County Public School  
System Preschool Program  
also believes that young  
children learn best through  
actual “hands-on” experiences  
(play).

The background of the slide features a stylized landscape with rolling green hills at the bottom and a light blue sky with soft, white, wavy clouds above. The text is centered in the upper half of the slide.

The following domains are targeted in the preschool program:

- LANGUAGE/COMMUNICATION
- COGNITION
- SOCIAL/EMOTIONAL
- MOTOR
- SELF-HELP

The Christian County Public Schools  
Preschool Program also recognizes that each  
child is unique with differing personalities and  
rates of development.

## ELIGIBILITY

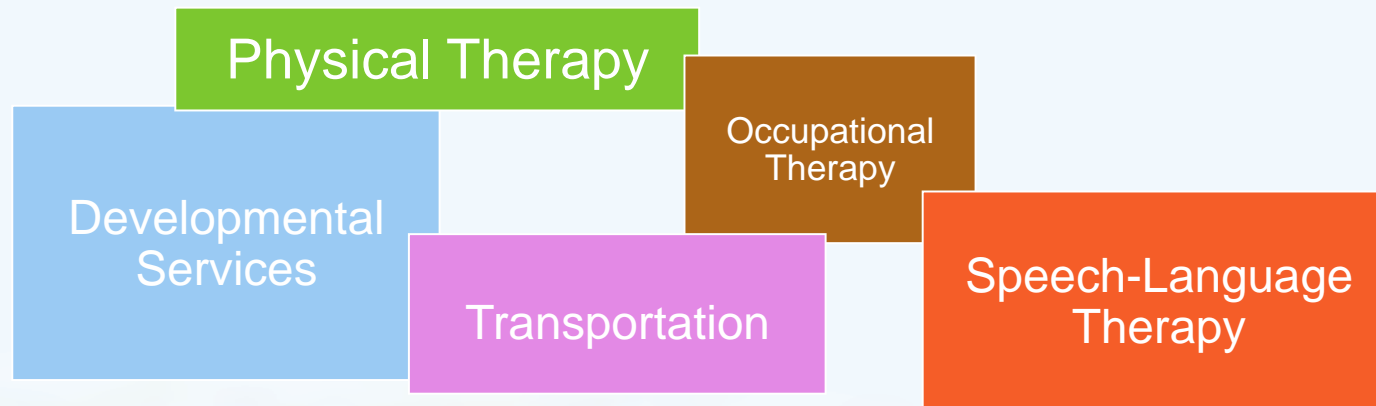

Christian County Public Schools offers preschool services for children who meet the following requirements:

1. Children whose 4th birthday occurs by August 1st of the current school year and the child either demonstrates a delay in development or meets the Preschool Income Guideline.
2. Children who have had their 3rd birthday and demonstrate a delay in development.
