MWR Hosts Run For the Fallen during 2021 WOE

On Saturday, 19 June 2021, members of the Fort Campbell community met at Town Center Park for our annual memorial run honoring those who served with the 101st Airborne Division (Air Assault) and Fort Campbell Tenant units. The non-competitive run started and ended next to the Boots on the Ground display at McAuliffe Hall and both the short and long routes encompassed several Memorials. Participants were offered a run bib on which they could write the name of a fallen Soldier. We appreciate the hard work of everyone who planned, worked, participated and supported this solemn event.
