Cole Park Golf Course Newsletter

July 2025

Happy to be back!

In the event that you haven't heard, my name is Rey Padilla, and I am truly grateful for the opportunity to return to Fort Campbell and Cole Park Golf Course as the new Golf Course Manager. I am looking forward to meeting all our golfers and getting re-acquainted with a place that I always considered home.

In hopes of improving communication with our customer base, we will be disseminating information via various mediums like: Newsletters, Facebook, Post Marketing Messages, and the Golf Genius App. As the systems become active, we will ensure the information is posted at the Golf Shop.

Again, I look forward to meeting everyone, and please don't hesitate to reach out if you have any golf needs, questions, or concerns.

Respectfully,

Rey Padilla, PGA

FYI!

Starting June 13th, we will have starters and marshals in order to help us to maintain proper starting time intervals and pace-of-play on the course.

Pitch marks....

Our goal is simple.. We want the best greens, but we need your help by following two easy steps

1. Find your pitch mark, and fix it.
2. Fix your pitch mark **properly**.

How do you fix it properly? Please go to our FB page - we will be uploading a video on how-to instructions on July 3!

We are Hiring!

We are searching for highly motivated individuals to join our team. If you are interested in a position at the golf course, please visit www.usajobs.gov

Hot Shots Corner:

Did you hit a special shot or score? Please let us know at the Golf Shop, and we will celebrate with you!
